I will give you a powerful framework to follow, and I will be there way beyond the pages of this book supporting you and cheering you on." **Becoming Real** is one parent's honest and inspiring search for health for her family. Carolyn brings hope to a situation many families, educators, and health care providers struggle with today. **Renee Prymus MFA**, RYT, MMin, Adjunct Faculty at the University of Pittsburgh. This book provides you with a powerful framework to help you structure your health interventions. It is meant to stimulate your thinking, so it may become more of a how-come book than a how-to book.
