The Middle Place Kelly Corrigan, 2008-01-08 The Middle Place is about calling home Instinctively Even when all the paperwork a marriage license a notarized deed two birth certificates and seven years of tax returns clearly indicates you're an adult but all the same there you are clutching the phone and thanking God that you're still somebody's daughter For Kelly Corrigan family is everything At thirty six she had a marriage that worked a couple of funny active kids and a weekly newspaper column But even as a thriving adult Kelly still saw herself as George Corrigan's daughter A garrulous Irish American charmer from Baltimore George was the center of the ebullient raucous Corrigan clan He greeted every day by opening his bedroom window and shouting Hello World Suffice it to say Kelly's was a colorful childhood just the sort a girl could get attached to Kelly lives deep within what she calls the Middle Place that sliver of time when parenthood and childhood overlap comfortably wedged between her adult duties and her parents' care But she's abruptly shoved into a coming of age when she finds a lump in her breast and gets the diagnosis no one wants to hear And so Kelly's journey to full-blown adulthood begins When George too learns he has late stage cancer it is Kelly's turn to take care of the man who had always taken care of her and show us a woman as she finally takes the leap and grows up Kelly Corrigan is a natural born storyteller a gift you quickly recognize as her father's legacy and her stories are rich with everyday details She captures the beat of an ordinary life and the tender sometimes fractious moments that bind families together Rueful and honest Kelly is the prized friend who will tell you her darkest lowest screwiest thoughts and then later dance on the coffee table at your party Funny yet heart-wrenching The Middle Place is about being a parent and a child at the same time It is about the special double vision you get when you are standing with one foot in each place It is about the family you make and the family you came from and locating navigating and finally celebrating the place where they meet It is about reaching for life with both hands and finding it
