Rosalind Wiseman

Behind The Counselors Door Teenagers True Confessions Trials And Triumphs:

Behind the Counselor's Door K. Kuczynski, 2015-03-24 Kuczynski's goal in writing this book is not to create a reality show in a book but to use the stories of turmoil and struggle that have unfolded before him as a teaching opportunity. It is to engage teenagers mentally and emotionally so that they develop better choice making skills and cultivate their ability to succeed despite seemingly insurmountable obstacles and challenges.

Owning Up Rosalind Wiseman, 2020-06-24 Foster dignity and respect and combat youth aggression. As middle school students adjust to tougher academics, they also find themselves introduced to increasingly complex social situations including conflicts on social media, racism, anxiety, and bullying, and the choices they make can have repercussions far beyond the classroom. But they are not alone. This new edition from bestselling author and Cultures of Dignity co-founder Rosalind Wiseman is packed with the latest research-based strategies reviewed by high school and middle school students and revised to include all that she has learned while working over decades with young people. *Owning Up* has helped teachers, counselors, and leaders give students the tools they need to own up and take responsibility as perpetrators, bystanders, and targets for unethical behavior and to treat themselves and others with dignity. This bigger, comprehensive edition features three flexible, dynamic curricula separated by grade. A new chapter on successfully implementing a social and emotional learning program in every school. More games, role playing activities, and provocative discussion questions to use in co-ed or single sex groups. Even more lessons and resources updated to address social media bystanding and how young people can develop strong, healthy relationships with adults. Designed for use both in school and out. *Owning Up* helps prevent many of the common issues young people face and promotes friendships in these critical years. As educators, we must enlist the people who can make a real difference: the students.

Queen Bees and Wannabes, 3rd Edition Rosalind Wiseman, 2016-07-26 NEW YORK TIMES BESTSELLER. The parenting classic that inspired *Mean Girls*, now fully revised and updated with new material on gender expression, cancel culture, social media, and bullying based on feedback from today's teenagers. More than twenty years ago, *Queen Bees and Wannabes* let parents inside the secret world of their adolescent daughters' female relationships, giving us a new vocabulary for these fickle social dynamics as well as invaluable strategies for helping our daughters navigate them. Since then, nationally recognized thought leader and speaker Rosalind Wiseman has interviewed and listened to thousands of girls talk about the powerful role cliques play in shaping what they wear and say, how they respond to boys, and how they feel about themselves. This fully revised and greatly updated edition of this parenting classic now reflects the pressures unique to today's girls, including the role that social media and gender as a spectrum play in adolescent life. With input and stories from dozens of girls experiencing these dynamics today, Wiseman takes readers into *Girl World* to analyze teasing, gossip, and reputations, beauty and fashion, alcohol and drugs, boys and sex, and more, plus how cliques play a role in every situation. Full of sample scripts, strategies, and pointed advice, this book will equip adults with all the tools needed to build the right foundation to help a young woman make smarter
