Behold I Am A Disciple Of Jesus Christ

Joseph Smith

Behold I Am A Disciple Of Jesus Christ:

Behold, I Am a Disciple of Jesus Christ... Larry Kacher, 2007-01-01 And Ye Shall Go Forth in the Power of My Spirit Leaders of the Church of Jesus Christ of Latter Day Saints have repeatedly said that the bar is being raised for young people as they prepare to serve a church mission What does this mean The purpose of this book is three fold First it is to help prospective missionaries to better understand what is meant to have the bar raised as they prepare to serve as missionaries as disciples of Jesus Christ second this book will help young men and women to become better prepared before their missions so they can make the best use of Lord s time while they are in the mission field third this book can help young people to experience through the eyes of missionaries who have gone before them what it is like to serve the Lord with all of your might mind and strength There is nothing so rewarding as working as an instrument in the hands of the Lord to help His children to find truth and happiness in a complex world There is no greater service that can be rendered than becoming and fulfilling one s stewardship as a true disciple of Jesus Christ Behold, I AM Joyce Lynn Wulf, 2023-11-13 It was a childlike question but the answer was as stunning as it was profound If God is light what do the primary colors of the rainbow s spectrum signify The Gospel of John declares in eight mysterious signs that God is light and Jesus Christ in the flesh was God sent to bring the light of true life to us These enigmatic signs of light semeion imply the eight signs significance pointed to something other than what they appeared The themes of John s eight signs match the themes of the Feasts given to ancient Israel at Mount Sinai and a sequence of YHWH s covenant names Behold I AM is a rich in depth study into God s Holyday appointed times His eight Festivals of Light what they meant then what they mean today and how they are fulfilling prophecy
