A Wilderness Zone Walter Brueggemann, 2021-11-17 In these several pieces I have worked to trace out possible interfaces between specific scripture references and matters at the forefront of our common social life It is my hunch that almost without fail such an interface creates a very different angle of vision for any element of our common social life because it situates such a topic in the context of the biblical narrative that is occupied by the holy agency of God Such an alternative angle of vision helps to

defamiliarize us from our usual discernment according to the master narrative of democratic capitalism that is most widely shared across the spectrum of conservatives and progressives Because our common angle of vision shared by progressives and conservatives has a very low ceiling of human ultimacy we all of us easily come to think that our particular reading of social reality is absolute and beyond question even if dominated by a tacit ideology It is my bet that an interface with biblical testimony can and will deabsolutize our excessive certitude and permit us to look again at the social facts that are in front of us I do not think and do not suggest that such interfaces with scripture are inevitable they are rather suggestive impressionistic and fleeting the kind of linkage that is available in the matrix of faith that is not fixed on certitude

The Walk Back to Eden Melody Westbrook,Emileigh Ziebka,2023-03-29 God s word his stories surround us every day We listen to podcasts read books and frequent our daily devotionals but do we really allow our lives to change Does God s story become our story Do we allow God to walk us back to true fellowship and relationship with Him Or does our sporadic connection with God s story lie beautifully on the surface impressing others around us without absorbing deep within who we are Even though the Bible is the greatest story written it sits on our shelf positioned strategically allowing us to feel we are of the spiritual realm But what if we pulled it from our shelf and opened it Would we allow the stories of Adam Abraham and Sarah change our lives Would we see the God who saw Hagar Or would we become frustrated reading a book penned centuries ago because it seems inapplicable and dry In *The Walk Back to Eden* authors Melody Westbrook and Emileigh Ziebka take you on a journey through the Old Testament You will walk through the garden of Eden into the wilderness and be locked inside a boat You will

feel the dirt between your toes walking the roads of Canaan feel the heartfelt loss as Adam and Eve were kicked out of paradise and sit in the quiet of the unformed universe This book offers practical lessons for today taken from a book written centuries ago You will not want to miss this journey *The Gayworthys: a Story of Threads and Thrums* Adeline Dutton Train Whitney, 1886 The Publishers Weekly , 1893
