Machine Embroidery Claire Fell, 2020-04-10 Embroidering with a sewing machine is exciting, immediate and affordable. This practical book shows you how to do it. Packed with encouraging advice, it introduces the sewing machine before explaining how to design, plan and make your own embroideries and turn them into finished items to treasure. Topics covered include learning how to set up the machine and carry out basic cleaning and maintenance; discovering which thread types, fabrics and mixed media elements are most suitable for machine embroideries; exploring how to use the pressure foot to turn functional utility stitches into exciting surface decoration; working freely with dropped feeder teeth and an embroidery foot; and learning how to alter the tension to create different effects and finally using soluble film to enhance your pictures and stitch realistic thread paintings of landscape, animal and bird embroideries. With over 900 colour photographs and illustrations, it is the perfect companion for both those new to machine embroidery and those looking for new ideas and inspiration.

The Sewing Machine Embroiderer's Bible Liz Keegan, 2014-09-09 How to get the most out of your sewing machine's embroidery function.

Machine Stitch Alice Kettle, Jane McKeating, 2010-08-04 This unique book collection culls the expertise of academics and the actual embroidery machines archives of Manchester Metropolitan University in Great Britain, whose specialist embroidery department has been instrumental in artistic and educational innovations in textiles since the 1960s. This book is the definitive record of the vast number of machines from the traditional Irish Embroidery machines to the latest generation of computerized sewing machines and features a rich and fascinating record of the machines themselves and the samples and artwork that were produced on them. Each contributor gives their own individual perspective on machine stitch and the book illustrates how key machines can be applied to the artistic, industrial and domestic practice and shows how to combine techniques and develop new ideas in machine embroidery, a creative medium that is flourishing in both design and production.
