A Theological Guide to Calvin's Institutes: Essays and Analysis, Paperback Edition David W. Hall, Peter A.

Lillback, 2015-02-20 This long needed work serves as the natural companion to Calvin's Institutes of the Christian Religion for classes, students, pastors and others for years to come **CALVIN@500** Richard R. Topping, John A. Vissers, 2011-05-12

Calvin 500 is an exercise in appreciative criticism and appropriation of the Reformer's work for church and society. The collection serves as an introduction to the life and thought of this sixteenth century Reformer in his context. The book also traces Calvin's continuing legacy for political, economic, theological, spiritual and inter-religious practices of our own time. The essays reflect the depth and breadth of Calvin scholarship from the sixteenth century to the present. They also reflect Calvin's own wide-ranging ministry: the authors are pastors, teachers, social justice workers and theologians. Calvin 500 arose from two Canadian conferences on the occasion of the 500th anniversary of Calvin's birth **A Theological Guide to Calvin's**

Reformation Joel R. Beeke, 2018-07-25 Through these studies you will be challenged to treasure basic Reformation principles such as Scripture alone, Christ alone and the glory of God alone as well as to grow in awareness of what amazing spiritual mentors and models of godliness a variety of Reformation stalwarts were and what they can still teach us today. These include Martin Luther, William Tyndale, Hugh Latimer and William Perkins, lesser known pastors in Geneva and women such as Katherine Luther, Katharina Zell, Anna Bullinger, Katherine Willoughby and Catherine de Bourbon. You will also discover the reformers' commitment to propagate the gospel to all nations and the riches of the Reformation view of missions. Finally, you will be treated to insightful essays on Augustine as an important backdrop to the Reformation and on the beauty and glory of the Christology of the Reformation. The authors pray that these essays will help you increasingly become genuine sons and daughters of the Reformation by following the Reformers' lives and teachings insofar as they followed the Lord Jesus Christ. Heavenly Providence Suk Yu Chan,2022-08-08 Suk Yu Chan provides a revisit of John Calvin's interpretation of the doctrine of divine providence and builds upon a vast repository of quality research conducted by previous Reformation scholars The author adopts a historical approach to explore Calvin's works from 1534-1559 and argues that from 1534-1541 Calvin used the image of the fountain to portray God as the source of everything who has power to preserve and give life to all creatures on earth Between the Latin edition of the Institutes in 1539 and the French translation of that work in 1541 Calvin was indecisive about the definition of special providence articulating a fitful relationship between providence and soteriology in these two texts In 1552 Calvin gradually ceased using the image of the fountain to portray God as the source of everything and he also delivered three definitions of divine providence: general providence, special providence, and the very presence of God Based on the theological understanding of divine providence which he had developed from 1534-1552 Calvin presented his exegesis on the Book of Job and the Book of Psalms through his sermons and commentaries Furthermore Calvin also discussed the importance of the human role in God's providence While Calvin's theological understanding of God's providence was inherited by his successor Theodore Beza, Beza applied it differently in his exegesis on the Book of Job From 1534-1559 Calvin formulated his biblical doctrine of divine providence articulating that divine providence is heavenly providence which is comprised of eternal predestination and divine preservation *Calvinus frater in Domino* Arnold Huijgen, Karin Maag, 2020-03-09 The 16th century Reformer John Calvin is an outstanding personality That's why the international Calvin Congress convenes every four years to share insights in the theology and context of his person Whether it is about the relation between Christianity and politics Calvin's interpretation of biblical texts or if it's about Calvin the systematic theologian whose concepts build a cornerstone for nowadays schemes the papers collected in this volume will help for a better understanding of his significant person and thoughts
