A Primer On Working With Resistance

Martha Stark

A Primer On Working With Resistance:

A Primer on Working with Resistance Martha Stark, 1994-03-01 Martha Stark's primer on resistance is a unique book. It takes as the heart of the clinical problem the patient's reluctance to change that ubiquitous and paradoxical phenomenon of our work in which people come to us asking for help in changing and then do their level best to keep change from happening. This is a work which is at once a practical guide and a theoretical tour de force. Readers who journey in this slim volume with Dr Stark will return from their travels to their practice much educated having encountered new ideas and old ones in new forms better able to face the everyday travails of psychotherapy. David E Scharff M D Every so often a book emerges from the vast sea of analytic writings that startles in its creativity and usefulness. A Primer on Working with Resistance is just such a book. Dr Stark is as clear as a bell. She manages complex theoretical concepts with sophistication and great sensitivity for the material. For example the distinctions she makes between convergent and divergent conflict or between illusion and distortion are elegant. The question and answer format of the book is reassuring for the beginner and a delight for the more experienced reader as well. Anne Alonso Ph D Harvard Medical School A Jason Aronson Book

A Perilous Calling Michael B. Sussman, 1995-04-03 What are the consequences of prolonged exposure to the mental and emotional sufferings of others? In what ways can the practice of psychotherapy impede a person's ability to form healthy fulfilling personal relationships? Is it true that psychotherapists are unusually prone to mental illness drug and alcohol abuse sexual acting out workaholism and suicide? Is there something about people who are drawn to a life in psychotherapy that puts them at higher risk of developing certain behavioral disorders? Now in a candid and revealing look into the private and professional lives of psychotherapists a group of noted practitioners attempt to answer these and other hard questions about the women and men who pursue this most perilous of callings. Throughout the pages of this fascinating book nearly thirty psychotherapists including psychologists psychiatrists psychoanalysts and social workers provide intimate at times painfully frank accounts of their inner experiences and struggles. In a series of compelling first person narratives written in a variety of styles they explore such topics as the therapist's personal development and unconscious motivations for becoming a therapist the emotional impact of clinical work on the psychotherapist the stresses and strains that the practice of psychotherapy can exert on a marriage parenting and psychotherapy disillusionment and the physical and psychic isolation of clinical work the struggles of therapists who suffer from characterological problems of their own and the extreme perils of dealing with suicidal patients. They also delve into a number of important professional ethical and legal hazards practitioners face in this age of the medical quick fix. A Perilous Calling offers readers unparalleled insight into the psychotherapist's deepest concerns and conflicts. It reveals the perils of practice and candidly explores how some psychotherapists have learned to cope with them. In reading this book professionals will learn how to take better care of themselves both in their professional and personal lives and will find new ways to transform those perils into opportunities for growth and mastery. At the same time their patients friends and loved

ones will gain a deeper understanding of these complex and uniquely caring individuals **The American Journal of Psychiatry**, 1995-10 Social Work, White Supremacy, and Racial Justice Laura S. Abrams, Sandra Edmonds Crewe, Alan J. Dettlaff, James Herbert Williams, 2023 This volume offers an examination of the history of racism and White supremacy in the profession of social work current efforts to address and repair the harms caused by racism and White supremacy within the profession and forward thinking strategies for social work to be part of a broader societal movement to achieve an anti racist future *Air Force; the Official Service Journal of the U.S. Army Air Forces*, 1940 **Air Corps Newsletter** Air Corps. War Department, *Integrative Social Work Practice with Refugees, Asylum Seekers, and Other Forcibly Displaced Persons* Nancy J. Murakami, Mashura Akilova, 2022-11-25 This textbook provides theoretical and clinical knowledge needed by social workers and other practitioners involved in humanitarian emergency response Social workers are well positioned to serve coordinating and leadership roles in this interdisciplinary field due to their holistic training This book weaves together micro mezzo and macro levels of practice into integrated social work practice Its historical account of humanitarian emergencies coverage of social work frameworks and principles and review of existing best practices at the clinical community and policy levels ground the reader in a field of social work that requires consideration of historical frameworks alongside innovative responses to the complexity of humanitarian emergencies The contributors incorporate best practices as well as address gaps in awareness knowledge and skills that they have observed and studied worldwide Some of the topics explored include Social Work with Displaced Children Women LGBTQI Asylum Seekers Return and Reintegration of Displaced Populations and Reconstruction in Post conflict Societies Culture Trauma and Loss Integrative Social Work Practice with Refugees and Asylum Seekers Clinical Social Work Practice with Forcibly Displaced Persons Grounded in Human Rights and Social Justice Principles Integrative Social Work Practice with Refugees Asylum Seekers and Other Forcibly Displaced Persons is adoptable as a primary text for MSW and doctoral elective courses on global social work or international social work practice with persecuted and forcibly displaced people This textbook is targeted to clinical social work or policy courses as well and can be supplemental reading for required courses for migration and forced displacement majors It is also useful for social workers or interdisciplinary practitioners working around the globe with displaced populations Identity-Conscious Supervision in Student Affairs Robert Brown, Shruti Desai, Craig Elliott, 2019-11-21 This guide offers current and future student affairs practitioners a new conceptual framework for identity conscious and intersectional supervision Presenting an original and transformative model to address day to day challenges this book gives practitioners a strategic approach to engage in self work identity exploration relationship building consciousness raising trust development and organizational change ultimately helping them become more adept at supervising people from a range of backgrounds and experiences Chapters include theoretical underpinnings practical tips case studies and discussion questions to explore strategies in real life contexts Identity Conscious Supervision in Student Affairs is a key tool for student affairs practitioners to effectively change systems

of dominance and inequity on their campuses
