A String of Pearls Benedict A. Baglio, 2010 *A String of Pearls From Infamy to Victory* A WW II Series Book One is the first of a four book series by historian Dr Ben Baglio These books are rich in history and are truly character driven If you have ever read and appreciated a novel by W E B Griffen you'll love Baglio's books USS Arizona BB 39 The name stirs emotions A vibrant leviathan that sailed the world's oceans in the name the United States she was already twenty seven years old on December 7 1941 But she was still the pride of the Navy and a favorite of politicians like President Franklin D Roosevelt who witnessed the laying of her keel in the Brooklyn Navy Yard in 1914 and Hollywood stars who used her as a backdrop for patriotic films of the 1930's Like an ageless siren Arizona could still draw a smile even from those newfangled aircraft carriers whose airplanes buzzed her like a swarm of angry bees during war games Had the awful events of that fateful Sunday morning not occurred at Pearl Harbor the Arizona probably would have passed through the rest of her life peacefully and been scrapped sooner than later However her fate would be to serve as a focal point of hate and vengeance when she and most of her crew were incinerated But was it a bomb that destroyed her or was Arizona the first casualty of longstanding international gamesmanship that led to a war that had to be fought *A String of Pearls* engages the reader in a series of what ifs Get to know Arizona's men Listen in on conversations between Roosevelt and Churchill Fly in a Spitfire during the Battle of Britain Visit with ordinary military men who would be asked to perform extraordinary feats

by their rival governments and get to know the women who loved them Witness the epic battle of the Bismarck and the Hood Fly with the Japanese pilots who carried out the attack on Pearl Harbor and the frustration and heroism of one who was forced to sit on the sidelines Take a trip back in time and listen to Glenn Miller play A String of Pearls and come to realize we struggle with the same issues today [Illinois in World War II](#) Bill Nunes,2007 **World War II and Nevada** Charles Weller,2024-05-28 World War II and Nevada is an in depth examination of the state s role in the war Nevada s geographic location land sky mineral resources and the sacrifices of its people were crucial to victory and transformed the state The war brought the first significant development of the gaming industry the introduction of a huge permanent military presence the diversification of its population and a shift in political and economic power within the region Nevada s previously unexamined role in the internment of Japanese Americans is explored and so too is the role of women and minority groups in support of the war The book concludes with a comprehensive list of those killed wounded or made prisoners of war during the conflict Weller provides the most thorough analysis of Nevada s war effort to date and historians will find the book a valuable addition to their World War II history collections *Sailing Toward the Son* Jack Zimmerman Th.
