Pattern and Structure Mathematics Awareness Program Michael Mitchelmore, Joanne Mulligan, 2025-03-13 The Pattern and Structure Mathematical Awareness Program PASMAT is a network of related learning experiences developed for children in the first three years of formal schooling Foundation to Year 2 It is based on research evidence that the foundation of mathematical development is an awareness of mathematical pattern and structure and that engaging children in exploring core patterns and their structure leads to an improvement in general mathematical understanding PASMAT focuses on developing children's awareness of the patterns and structures that underlie the concepts and processes common to all the early Australian Curriculum Mathematics strands PASMAT Book One is primarily intended for children in Foundation and Year 1

Einstein Continued... David D. Miller, Martin O. Cook, 2009-10-22 Gravity Explained from a Quantum Perspective A fairly recent science magazine ran on its cover that over the past century Einstein's Relativity theories have withstood the test of time Can they now withstand the test of timelessness In Einstein Continued The Missing Model of Motion gravity is explained from a quantum perspective without the use of time through quantum momentum quantum movement quantum relativity and quantum gravity It also answers a question that should have been asked centuries ago How does mass move through space in the first place It explains Special and General Relativities from a quantum perspective putting an end to the physicality of space time It also deals with some logical consequences of timelessness And finally it answers the question Was Einstein Wrong and puts the brilliance of his work back on course leading to the ultimate destination of a unified theory
