Harland Prechel

Banking Services Chronicle Magazine August 2014:

The Commercial & Financial Chronicle and Hunt's Merchants' Magazine, 1890 *The Commercial & Financial Chronicle and Hunt's Merchant's Magazine*, 1896 **Normalized Financial Wrongdoing** Harland Prechel, 2020-11-24 In *Normalized Financial Wrongdoing* Harland Prechel examines how social structural arrangements that extended corporate property rights and increased managerial control opened the door for misconduct and ultimately the 2008 financial crisis. Beginning his analysis with the financialization of the home mortgage market in the 1930s, Prechel shows how pervasive these arrangements had become by the end of the century when the bank and energy sectors developed political strategies to participate in financial markets. His account adopts a multilevel approach that considers the political and legal landscapes in which corporations are embedded to answer two questions: how did banks and financial firms transition from being providers of capital to financial market actors? Second, how did new organizational structures cause market participants to engage in high risk activities? After careful historical analysis, Prechel examines how organizational and political legal arrangements contribute to current record high income and wealth inequality and considers societal preconditions for change.

Urban Policy in the Time of Obama James DeFilippis, 2016-11-08 With his background as a community organizer and as a state legislator representing Chicago's South Side, Barack Obama became America's most urban president since Teddy Roosevelt. But what has been his record in dealing with the issues most impacting our metropolitan areas today? Looking past the current administration, what are the future prospects of the nation's cities and how have they been shaped by our policies in this century? Seeking to answer these questions, the contributors to *Urban Policy in the Time of Obama* explore a broad range of policy arenas that shape both directly and indirectly metropolitan areas and urbanization processes. This volume reveals the Obama administration's surprisingly limited impact on cities through direct policy initiatives such as Strong Cities Strong Communities, Promise Neighborhoods, and Choice Neighborhood Initiatives. There has been greater impact with broader policies that shape urban life and governance, including immigration reform, education, and health care. Closing with Cedric Johnson's afterword illuminating the Black Lives Matter movement and what its broader social context says about city governance in our times, *Urban Policy in the Time of Obama* finds that most of the dominant policies and policy regimes of recent years have fallen short of easing the ills of America's cities and calls for a more equitable and just urban policy regime.

Gardeners' Chronicle, 1841 **Commercial and Financial Chronicle Bankers Gazette, Commercial Times, Railway Monitor and Insurance Journal**, 1874 *Managing the Military* Sharon K. Weiner, 2022-11-15 The chairman of the Joint Chiefs of Staff JCS a senior group of officers who lead the Army Navy Air Force and Marine Corps is perhaps the most influential military figure in the United States The chairman is the primary military advisor to the president and is often the public face of the armed forces As advocates for the military's priorities some chairmen have used this role to help shape policy but others have embraced the position as an opportunity to chart new policy directions or challenge presidential preferences *Managing the Military* is a pioneering analysis of the power of the chairman of the JCS that sheds new light on civil military relations in the United States Using detailed case studies of debates over defense budgets since the end of the Cold War Sharon K Weiner examines when and how the JCS chairman opposes civilian defense policy preferences She shows that under the right conditions the chairman can be a policy entrepreneur challenging the goals of the White House and lobbying for the military's interests However the extent of the chairman's political clout is constrained by the preferences of the service chiefs who head the branches of the military Weiner also explores the evolution of the institution of the JCS and illuminates the chairman's interaction with the president and secretary of defense Blending empirical detail and theoretical contributions *Managing the Military* offers a compelling account of the circumstances under which the power of the JCS chairman is maximized 2030 Mauro F.
