Author Tony Lewin is an automotive writer and commentator specializing in the business and design sides of the auto industry. He has reported on the automobile sector for more than two decades as editor of industry publications such as *What Car*, *Financial Times Automotive World* and *World Automotive Manufacturing* and as a regular columnist in magazines and newspapers in Europe, Japan and the United States.

The Complete Book of BMW tells the remarkable story of the company and its cars. From the luxury sports cars and motorcycles of the pre-war era through its rebirth at the hands of a wealthy German aristocrat, a brilliant engineer and an inspired manager during the past two decades, the book uses the most expressive medium of all: the cars themselves to illustrate the story of one of the most remarkable turnarounds in automotive history.
