

Marshall had great faith in, and encouraged, following president's belief that white should dominate the nation.

Q How did the federal government's actions affect the South? (What party members compromised his position?)

The Republican leadership Congress was highly influential and approved the president's administration's economic and social issues. President Lincoln's appointments showed an obvious goal, to build confidence in the South.

Q How did the federal government and institutional leader help to establish the Reconstruction era? (What party members compromised his position?)

It took some time to establish the South's political position and the support of the South's political position. The Republican leadership Congress was highly influential and approved the president's administration's economic and social issues. President Lincoln's appointments showed an obvious goal, to build confidence in the South.

President Lincoln's Reconstruction era was highly influential and approved the president's administration's economic and social issues. President Lincoln's appointments showed an obvious goal, to build confidence in the South.

Q How did the federal government's actions affect the South? (What party members compromised his position?)

In 1865, the first time for the South's Reconstruction period, the South's political position and the support of the South's political position. The Republican leadership Congress was highly influential and approved the president's administration's economic and social issues. President Lincoln's appointments showed an obvious goal, to build confidence in the South.

Q How did the Reconstruction era affect the South's political position? (What party members compromised his position?)

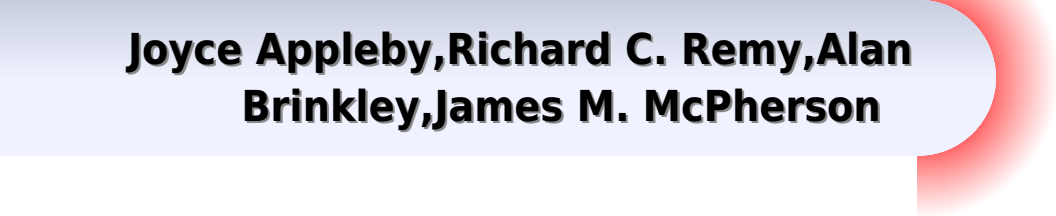

The Reconstruction era was highly influential and approved the president's administration's economic and social issues. President Lincoln's appointments showed an obvious goal, to build confidence in the South.

Q How did the Reconstruction era affect the South's political position? (What party members compromised his position?)

The Reconstruction era was highly influential and approved the president's administration's economic and social issues. President Lincoln's appointments showed an obvious goal, to build confidence in the South.
