Topic 6.2 Westward Expansion: Economic Development	
How did improvements in mechanization improve agricultural production?	The mechanization improved agricultural production by increasing harvest yields and decreasing the amount of labor needed to produce them. It made agriculture more efficient use of labor, operations, and management. The income increased for farmers because of the production of cash crops (Prices were raised). Humans were replaced with machinery, decreasing the amount of people required to produce material.
How did improvements in mechanization lead to lower food prices?	The more the farmers produced, the less the product was worth. The produce became affordable for the lower class.
How did farmers respond to the increasing consolidation in agricultural markets and their dependence on the railroad system?	They created local and regional cooperative organizations.
How did government subsidies after the Civil War help open new markets in North America?	After the Civil War, the government subsidies for transportation and communication.
How did the building of transcontinental railroads promote economic growth and create new centers of commercial activity?	The Transcontinental Railroad ensured a production boom. Industries mined the resources of the western and middle continent for production use. It created a vast outreach for commerce. The development of the Transcontinental telegraph between one side to another.
How did the discovery of mineral resources promote economic growth and create new centers of commercial activity?	Expensive minerals and natural resources were being found and used for the common good. Steel, iron, produce, railroads, citrus, and cattle all became the foundation of economic growth through mineral resources.
How did government policies promote economic growth and create new centers of commercial activity?	Through the establishment of markets in the east of the continent. The government subsidies created new businesses in the west. (Communication was faster)
Topic 6.3 Westward Expansion: Social and Cultural Development
