Hodson, LCSW, Alisha B. Worthington, SSW, Thomas G. Harrison, LCSW, 2023-02-02 Based on doctrinal principles and years of professional experience counseling real people this uplifting volume approaches marital intimacy with a genuine desire to help couples Learn to lovingly discuss your physical relationship with your spouse identify false worldly ideas about sex and reconcile your differing perspectives Informative and engaging this book will answer all your questions as you learn to truly become one Everyday Rituals Pearl Katz, 2024-08-06 When we are in painfully difficult or confusing life situations especially amidst ever uncertain times our minds grapple for structure a funeral ceremony definitively lays the dead to rest the exaggerated choreography of a surgical room confirms its sterility and a daily schedule gives prisoners a sense of normalcy These practices these rituals give us peace Though it might seem contradictory ordered rituals actually bring us freedom creativity and mental well being Rituals aren't a thing of history or belonging to elaborate ceremonies and they aren't even confined to the most painful or confusing of times Rituals can be at a family dinner table or in a morning bathroom routine In Everyday Rituals Pearl Katz

shows us just how transformative rituals are no matter what kind Unlike other titles on the subject in the self help genre or in anthropological reportage Katz applies her years of fieldwork and psychiatric study to tangible everyday American life She writes a thoroughly persuasive argument using poignant case studies to truly inspire readers Specific hormones flow and brain paths open when artists follow their creative regimen and mental health increases in patients under hospital directive in contrast young people suffer stress in unbounded undergraduate hookup culture And after the coronavirus ripped many rituals from American life the ill effects of a life without routine burn bright It s in the ordinary that Katz discovers unlimited potential mundane routine actually sparks incredible imagination With scientific evidence case studies personal narrative and guiding wisdom Katz enlightens us as to how and why we can feel true freedom
