A Popular Survey Of The New Testament:

A Popular Survey of the New Testament Norman L. Geisler, 2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paper this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and What can today's believers get out of letters addressed to people who lived two millennia ago Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament

Popular Survey of the Old Testament, A Dr. Norman Geisler, 2007-09-01 The world of the Old Testament can seem hard to understand especially for people living in times and places so far removed from the ancient Middle East It's not just that we wear different clothes and hold different jobs people in the West just don't have the same history the same culture or the same way of thinking as Old Testament characters like Abraham and David And this disconnect can make studying the Old Testament an arduous and confusing process A Popular Survey of the Old Testament is designed to help regular Christians enrich their understanding of Old Testament people and events Illustrated throughout with color photos charts and maps and written in an easy informal style this survey is accessible and enjoyable to Christians of all backgrounds

A Popular Survey of Apologetics for Today Ron Rhodes, 2023-09-19 We need Christians trained in apologetics now more than ever In a chaotic world where many people claim to have their own truth Christians have been given the unshakable truth that comes from God alone But simply knowing it isn't enough The task of apologetics belongs to all believers to make a defense to anyone who asks 1 Peter 3:14 Although the call is clear it can be difficult to know where to start This comprehensive survey delves into key teachings about our faith providing pearls of wisdom along the way to help us remember the heart of the matter Ron Rhodes shares a wealth of straightforward biblical answers to the questions and issues of our day addressing the nature of truth absolute truth versus relative truth hermeneutics the principles of interpreting the Bible rightly Christian ethics including controversial topics such as abortion suicide and divorce alleged contradictions in the Bible challenging questions unbelievers ask about God and Christianity Fortify your own understanding of God's Word and God's world from intelligent design to the prophetic future and let the truths contained in this book equip you for meaningful effective and gracious conversations with others

as well as scholars such as William Lane Craig J P Moreland Richard Swinburne and Craig Blomberg to present a multifaceted argument for the Christian faith With sections on the Socratic method the Christian examination of conscience the Big Bang miracles the historical reliability of the New Testament the resurrection of Christ and more this book promises to be useful intellectually and spiritually for seekers doubters and those already in the faith *A Popular Survey of the Old Testament* Norman L. Geisler,2003-01-01 *A Popular Survey of the Reformation, and Fundamental Doctrines of the Church of England* George Custance,1813 **A Student's New Testament Survey** Thomas Marshall,2007-10 After teaching New Testament for many years he has looked for a simple yet complete study of the background of the New Testament Finding none that he could use with high school students and laymen alike he developed this book to help his students understand that the New Testament did not take place in a vacuum A Student s New Testament Survey shows that the people places times and activities though very different from what we are accustomed to today were real and hold a vital component in our understanding of what the New Testament teaches *Getting at Jesus* Peter S. Williams,2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus *Christ in the New Testament* Thomas Allen Tidball,1891
