

An aerial photograph of a beach at sunset or sunrise. The ocean waves are breaking onto the shore, creating white foam. The sand is a warm, golden-brown color. Several dark, jagged rocks are scattered along the coastline. The overall mood is serene and contemplative.

Time is your most precious gift because you only have a set amount of it. You can make more money, but you can't make more time. When you give someone your time, you are giving them a portion of your life that you'll never get back.

A Most Precious Gift:

Love: the Most Precious Gift of Life Pejman Aghasi, 2007-08 Love is the only hope It is only because of love that man finds it possible to reach god If there were no love there would be no religion no prayer If there were no love there would be no creativity no music no dance no art no poetry If there were no love there would be no beauty no friendship no happiness no intimacy All that is valuable in life comes through love Love is the source of all that is nourishing and fulfilling Love is the only heavenly phenomenon on this earth Everything else is earthly therefore it is only through love that one can reach to god and heavenly states of being Without love life becomes dull repetitive and unfulfilling Love The Most Precious Gift of Life shows us that we must live with love because that is the only way to really live The deeper and realer your love is the deeper and more meaningful your life is We must think of love and life as being the same and synonymous If love has so many blessings why do many couples struggle and face so many difficulties in their relationships In the second part of Love The Most Precious Gift of Life the root social and psychological causes of these conflicts are uncovered and a solution for solving each problem is also presented And in doing so it helps us to keep our relationships healthy and intimate and enable us to embrace love and through love reach to our highest potential which is self realization and enlightenment **Deeply in Love**

The Crucible Arthur Miller, 1976-10-28 A haunting examination of groupthink and mass hysteria in a rural community The place is Salem Massachusetts in 1692 an enclave of rigid piety huddled on the edge of a wilderness Its inhabitants believe unquestioningly in their own sanctity But in Arthur Miller's edgy masterpiece that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft and then when those accusations multiply to consume the entire village First produced in 1953 at a time when America was convulsed by a new epidemic of witch hunting The Crucible brilliantly explores the threshold between individual guilt and mass hysteria personal spite and collective evil It is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can A drama of emotional power and impact New York Post
