Susi Ferrarello

A Penelopean Poetics Reweaving The Feminine In Homers Odyssey:

A Penelopean Poetics Barbara Clayton, 2004-01-29 A Penelopean Poetics looks at the relationship between gender ideology and the self referential poetics of the Odyssey through the figure of Penelope She is a cunning story teller her repeated rewavings of Laertes shroud a figurative replication of the process of oral poetic composition itself Penelope s web is thus a discourse and it can be construed specifically as feminine Her gendered poetics celebrates process multiplicity and ambiguity and it resists phallogentric discourse by undermining stable and fixed meanings Penelope s poetics become a discursive thread through which different feminine voices can realize their resistant capacities Author Barbara Clayton s work contributes to discussions in the classics as well as literary criticism sex and gender studies and women s studies **A**

Penelopean Poetics Barbara Clayton, 2004-01-01 A Penelopean Poetics looks at the relationship between gender ideology and the self referential poetics fo the Odyssey through the figure of Penelope Her poetics become a discursive thread through which different feminine voices can realize their resistant capacities Author Barbara Clayton informs discussions in the classics gender studies and literary criticism Thinking the Greeks Bruce M. King, Lillian Doherty, 2018-07-27 This

volume from an international and interdisciplinary cohort of scholars offers independent minded essays about central Greek texts and about the relation of social theory and comparative method to the study of archaic and classical Greek literature It is in honour of James M Redfield whose innovative and theoretically informed work has been a touchstone for the contributors it includes an Introduction that discusses Redfield s work as well as a complete Bibliography of Redfield s scholarship The volume is divided into three parts on Homer Plato in conversation with epic tragedy and comedy and finally reception and transmission An exploration of the dialectical relationship between literary genre and social form animates many of the essays Drawing on work in anthropology linguistics sociology art history and philosophy this volume offers ground breaking perspectives on the study of Greek literature It will be an invaluable resource to students and researchers alike The Culture of Translation in Early Modern England and France, 1500-1660 T. Demetriou, R. Tomlinson, Tania

Demetriou, 2015-03-18 This book explores modalities and cultural interventions of translation in the early modern period focusing on the shared parameters of these two translation cultures Translation emerges as a powerful tool for thinking about community and citizenship literary tradition and the classical past certitude and doubt language and the imagination

Contemporary Art and Classical Myth Jennie Hirsh, 2017-07-05 Contemporary art is deeply engaged with the subject of classical myth Yet within the literature on contemporary art little has been said about this provocative relationship Composed of fourteen original essays Contemporary Art and Classical Myth addresses this scholarly gap exploring and in large part establishing the multifaceted intersection of contemporary art and classical myth Moving beyond the notion of art as illustration the essays assembled here adopt a range of methodological frameworks from iconography to deconstruction and do so across an impressive range of artists and objects Francis Al s Ghada Amer Wim Delvoye Luciano Fabro Joanna

Frueh Felix Gonzales Torres Duane Hanson Yayoi Kusama Roy Lichtenstein Kara Walker and an iconic photograph by Richard Drew subsequently entitled *The Falling Man* Arranged so as to highlight both thematic and structural affinities these essays manifest various aspects of the link between contemporary art and classical myth while offering novel insights into the artists and myths under consideration Some essays concentrate on single works as they relate to specific myths while others take a broader approach calling on myth as a means of grappling with dominant trends in contemporary art

Performing Homer: The Voyage of Ulysses from Epic to Opera Wendy Heller, Eleonora Stoppino, 2019-07-23 The epic poems the *Iliad* and the *Odyssey* attributed to Homer are among the oldest surviving works of literature derived from oral performance Deeply embedded in these works is the notion that they were intended to be heard there is something musical about Homer's use of language and a vivid quality to his images that transcends the written page to create a theatrical experience for the listener Indeed it is precisely the theatrical quality of the poems that would inspire later interpreters to cast the *Odyssey* and the *Iliad* in a host of other media novels plays poems paintings and even that most elaborate of all art forms opera exemplified by no less a work than Monteverdi's *Il ritorno di Ulisse in patria* In *Performing Homer: The Voyage of Ulysses from Epic to Opera* scholars in classics drama Italian literature art history and musicology explore the journey of Homer's *Odyssey* from ancient to modern times The book traces the reception of the *Odyssey* through the Italian humanist sources from Dante Petrarch and Ariosto to the treatment of the tale not only by Monteverdi but also such composers as Elizabeth Jacquet de la Guerre Gluck and Alessandro Scarlatti and the dramatic and poetic traditions thereafter by such modern writers as Derek Walcott and Margaret Atwood

The Ethics of Love Susi Ferrarello, 2022-07-29 This book explores the ethical and psychological dilemmas connected to the lived experiences of love uniquely proposing an ethical framework that can be applied in loving relationships The book provides an introduction to the study of ethics moral psychology and ancient philosophy Examining key themes of love such as unconditional love romantic love anger desperation and fairness this book offers the reader a way to exercise and strengthen their personal critical thinking on ethical dilemmas especially in relation to loving feelings The author believes that ethics is the heart of love in the same way as logic is the brain of reasoning we do not need ethics to love but we can love in a much healthier way if we train our ethical skills to love After laying the theoretical framework for the book chapters are organized into themes relating to ethical problems and begin with an exemplary piece from Greek and Latin literature Using these writings as a starting point Susi Ferrarello discusses whether it is possible to have a sound ethical theory of love especially in cases relating to justice despair and rage and demonstrates how this framework can be applied in new and established relationships Filled with case studies throughout spiritual exercises are listed at the end of chapters to help the reader increase their understanding of love and their ethical choices surrounding emotional dilemmas This interdisciplinary book is essential reading for undergraduate and graduate students who take classes on ethics marriage and family therapy psychology philosophy classics ancient philosophy and politics as well as those interested in the ethics of

love and emotional decision making **Alien Listening** Daniel K. L. Chua, Alexander Rehding, 2021-09-14 An examination of NASA's Golden Record that offers new perspectives and theories on how music can be analyzed, listened to, and thought about by aliens and humans alike. In 1977, NASA shot a mixtape into outer space. The Golden Record aboard the Voyager spacecrafts contained world music and sounds of Earth to represent humanity to any extraterrestrial civilizations. To date, the Golden Record is the only human-made object to have left the solar system. Alien Listening asks the big questions that the Golden Record raises: Can music live up to its reputation as the universal language in communications with the unknown? How do we fit all of human culture into a time capsule that will barrel through space for tens of thousands of years? And last but not least, Do aliens have ears? The stakes could hardly be greater. Around the extreme scenario of the Golden Record, Chua and Rehding develop a thought-provoking, philosophically heterodox and often humorous Intergalactic Music Theory of Everything: a string theory of communication, an object-oriented ontology of sound, and a Penelopean model woven together from strands of music and media theory. The significance of this exomusicology, like that of the Golden Record, ultimately takes us back to Earth and its denizens. By confronting the vast temporal and spatial distances, the Golden Record traverses the authors' take: listeners out of their comfort zone and offer new perspectives in which music can be analyzed, listened to, and thought about by aliens and humans alike.

Disguise and Recognition in the Odyssey Sheila Murnaghan, 2011-06-24 *Disguise and Recognition in the Odyssey* reveals the significance of the Odyssey's plot, in particular the many scenes of recognition that make up the hero's homecoming and dramatize the cardinal values of Homeric society: an aristocratic culture organized around recognition in the broader senses of honor, privilege, status, and fame. Odysseus' identity is seen to be rooted in his family relations, geographical origins, control of property, participation in the social institutions of hospitality and marriage, past actions, and ongoing reputation. At the same time, Odysseus' dependence on the acknowledgement of others ensures attention to multiple viewpoints, which makes the Odyssey more than a simple celebration of one man's preeminence and accounts in part for the poem's vigorous afterlife. The theme of disguise, which relies on plausible lies, highlights the nature of belief and the power of falsehood and creates the mixture of realism and fantasy that gives the Odyssey its distinctive texture. The book contains a pioneering analysis of the role of Penelope and the questions of female agency and human limitation raised by the critical debate about when exactly she recognizes that Odysseus has come home.

Homer's Odyssey Lillian Eileen Doherty, 2009 A collection of sixteen authoritative and widely representative articles on Homer's Odyssey that have appeared over the last 30 years. Papers have been selected for their clarity and accessibility, while a specially written introduction gives an overview of major strands in the interpretation of Homer in the second half of the 20th century.

Eventually, you will definitely discover a additional experience and triumph by spending more cash. nevertheless when? reach you tolerate that you require to acquire those every needs afterward having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to comprehend even more on the globe, experience, some places, past history, amusement, and a lot more?
