Conflict, Democratization, and the Kurds in the Middle East David Romano,Mehmet Gurses,2014-08-13 In Turkey Iran Iraq and Syria central governments historically pursued mono nationalist ideologies and repressed Kurdish identity As evidenced by much unrest and a great many Kurdish revolts in all these states since the 1920s however the Kurds manifested strong resistance towards ethnic chauvinism What sorts of authoritarian state policies have Turkey Iraq Iran and Syria relied on to contain the Kurds over the years Can meaningful democratization and liberalization in any of these states occur without a fundamental change vis vis their Kurdish minorities To what extent does the Kurdish issue function as both a barrier and key to democratization in four of the most important states of the Middle East While many commentators on the Middle East stress the importance of resolving the Arab Israeli dispute for achieving peace in the Middle East this book asks whether or not the often overlooked Kurdish issue may constitute a more important fulcrum for change in the region especially in light of the Arab Spring and recent changes in Turkey Iraq Iran and Syria

A Modern History of the Kurds David McDowall,2021-03-25 David McDowall s ground breaking history of the Kurds from the 19th century to the present day documents the underlying dynamics of the Kurdish question The division of the Kurdish people among the modern nation states of Iraq Turkey Syria and Iran and their struggle for national rights continues to influence the politics of the Middle East Drawing extensively on primary sources including documents from The National Archive and interviews with prominent Kurds the book examines the

interplay of old and new aspects of the struggle the importance of local rivalries and leadership within Kurdish society and the failure of modern states to respond to the challenge of Kurdish nationalism In this new and revised edition McDowall also analyses the momentous transformations affecting Kurdish socio politics in the last 20 years With updates throughout and substantial new material included this fourth edition of the book reflects the developments in the field and the areas which have gained importance and understanding This includes new analysis of the Kurdish experience in Syria the role of political Islam in Kurdish society and Kurds involvement in Islamist Jihad and issues surrounding women and gender that were previously overlooked from the impact of the women s equality movement to how patriarchal practices within the Kurdish community still limit its progress The foundation text for Kurdish Studies this book highlights in detail the changing situation of the Kurds across the Middle East The United States, Iraq and the Kurds Mohammed Shareef, 2014-03-14 This book provides a descriptive and analytical narrative of the evolution of US foreign policy towards Iraq at the supra national global national Arab Iraq and sub national Iraqi Kurdistan levels The book is unique in that it presents a sophisticated insight into the two major components of US Iraq policy To achieve this it addresses US foreign policy towards both Arab Iraq and an entirely original analysis on US policy towards the Iraqi Kurds as components of a larger US Iraq policy dictated by the supreme US Grand Strategy The book also examines whether US foreign policy towards Iraq has been one of continuity or change a dimension that has not been illustrated in any other publication The book deals intelligently and at great length with the events surrounding US Iraq policy in three distinct phases going back to 1979 with regard to Arab Iraq and 1961 in respect to the Kurdish liberation movement covering all subsequent US administrations including the Obama presidency It provides a thorough examination of US interests in Iraq and reasons for the 2003 invasion and its aftermath It also engages with the intellectual roots of US foreign policy presenting an intricate reaction of views objectives and agendas This work will be of interest to students and scholars of Middle East studies US Foreign Policy and Security studies
