Conversations with Madeleine L'Engle Jackie C. Horne, 2018-12-03 Conversations with Madeleine L Engle is the first collection of interviews with the beloved children's book author best known for her 1962 Newbery Award

winning novel *A Wrinkle in Time* However Madeleine L Engle's accomplishments as a writer spread far beyond children's literature Beginning her career as a literary novelist for adults L Engle 1918-2007 continued to write fiction for both young and old long after *A Wrinkle in Time* In her sixties she published personal memoirs and devotional texts that explored her relationship with religion At the time of her death L Engle was mourned by fans of her children's books and the larger Christian community L Engle's books as well as her life were often marked by contradictions A consummate storyteller L Engle carefully crafted and performed a public self image via her interviews Weaving through the documentable facts in these interviews are partial lies misdirections and wish fulfillment fantasies But when read against her fictions these truths can help us see L Engle more deeply what she wanted for herself and for her children what she believed about good and evil and what she thought was the right way and the wrong way to be a family than if she had been able to articulate the truth more directly The thirteen interviews collected here reveal an amazing feat of authorial self fashioning as L Engle transformed from novelist to children's author to Christian writer and attempted to craft a public persona that would speak to each of these different audiences in meaningful yet not painfully revealing ways [Reading Madeleine L'Engle](#) Heidi A. Lawrence, 2023-10-20 Using a critical lens derived from ecopsychology and its praxis ecotherapy this book explores the relationships Madeleine L Engle develops for her characters in a selection of the novels from her three Time Austin family and O Keefe family series as those relationships develop along a human nonhuman kinship continuum This is accomplished through an examination both of pairs of novels from the fantastic and the realistic series and of single novels which stand out as slightly different from the most prominent genre in a given series Thus this examination also shows L Engle's fluid movement along a fantasy reality continuum and demonstrates the integration of the three series with each other Importantly through examining these relationships and this movement along continuums in these novels the project demonstrates how ecopsychology and ecotherapy provide strong and important and as yet virtually unexplored intersections with children's literature **Dimensions of Madeleine L'Engle** Suzanne Bray, 2017-01-25 Best known for her Newbery Medal winning novel *A Wrinkle in Time* Madeleine L Engle 1918-2007 had a long and successful writing career Her books enjoyed popular acclaim and she was in constant demand to give speeches write forewords and advise and encourage younger authors Yet her work particularly her adult fiction has been largely ignored by scholars This collection of new essays gives overdue critical attention to L Engle's complete body of work from her familiar young adult fiction to her religious writings poems and short stories [A Journey Towards Endless Light Out Of Pitiless Darkness](#) Ray Orocco-John, 2024-06-11 This anthology fuses an array of poems and short stories meticulously crafted over many years It spans a diverse spectrum of themes from the lighthearted whimsy of comedy to the profound depths of everyday human experiences The author presents a distinctive perspective on biblical scriptures enriching them with personal insights and reflections Moreover this collection acts as a reflective mirror capturing the essence of pivotal events and characters that have left an indelible mark on the

author's life journey In homage to the Bard the author has skillfully crafted a series of sonnets that honor both the traditional Shakespearean style and the lyrical Italian form Adding a touch of whimsy the book includes a selection of limericks initially penned in jest but now presented for the readers delight The short stories explore themes of unrequited love sacrifice forgiveness fractured vows the resilience of the human spirit the devastating impact of war on innocent children heartbreak resurgence the fallibility of human judgment enduring love jealousy and the pain of abandonment Each story conveys a message that resonates deeply with the reader The book's title reflects the author's transformative journey from the shadows of adversity to the radiant light of divine grace This profound metamorphosis is delicately woven into the fabric of the poetry and prose offering readers an intimate glimpse into the soul of a writer reborn This work is the second installment in a series following the author's initial offering *Of Sadness and Of Pleasure* **The Dreamer's Book of the Dead** Robert

Moss, 2005-09-29 A guidebook for communicating with the departed and gaining first hand knowledge of life beyond death Reveals that the easiest way to communicate with the departed is through dreams Offers methods for helpful and timely communication with deceased loved ones Provides powerful Active Dreaming practices from ancient and indigenous cultures for journeying beyond the gates of death for wisdom and healing We yearn for contact with departed loved ones We miss them ache for forgiveness or closure and long for confirmation that there is life beyond physical death In *The Dreamer's Book of the Dead* Robert Moss explains that we have entirely natural contact with the departed in our dreams when they come visiting and we may travel into their realms As we become active dreamers we can heal our relationship with the departed and move beyond the fear of death We also can develop the skills to function as soul guides for others helping the dying to approach the last stage of life with courage and grace opening gates for their journeys beyond death and even escorting them to the Other Side Drawing on a wealth of personal experience as well as many ancient and indigenous traditions Moss offers stories to inspire us and guide us He shares his extraordinary visionary relationship with the poet W B Yeats whose greatest ambition was to create a Western Book of the Dead to feed the soul hunger of our times Moss teaches us the truth of Chief Seattle's statement that there is no death we just change worlds
