populations today You see individuals are starving for information however not wisdom We are within a culture that has been stimulated by negative forms of institutionalized forms of behavioral shaping patterns into whipping the blind by blindsiding them with hearsays of schemes as they pertain to the truths regarding transgenic organisms of humanity They too have been and are currently inducing deficiencies unto the meek and the lowly They are inducing their Ka region This particular region ignites and triggers ones need of desire intellectuality and emotional states of being This is through the programming of their spirit s of wholeness In wholeness you resurrect from your slumber of facing brutalities due to the means of mental and physical slavery that have been induced upon you by your shepherds for this is written in Jeremiah 23 Finally the chains of physiological and neurocognitive struggle have been placed upon every spiritual being on the universe by searching within ourselves regarding the instruction that we are under These molecular stimulants must be wholeheartedly comprehended by every one of all generations Therefore we must recognize that the form of creation has a linkage and underlying cause whether it is a terminal illness or the integrity of those who are illusion and delusion This delusion leads to passions of fear anger hatred pride greed lust and forms of destabilization among all with individuals having or gaining various levels of poverty regarding the nature of their purpose of existence Their existence This book is under the ownership of GodDivinity and the Tejauma Na Nia Corp **Doublespeak in Black and White** Rudy Aunk, *History in Black* Yaacov
