McCraw,Robert Arp,2017-03-31 In contradistinction to the many monographs and edited volumes devoted to historical cultural or theological treatments of demonology this collection features newly written papers by philosophers and other scholars engaged specifically in philosophical argument debate and dialogue involving ideas and topics in demonology The contributors to the volume approach the subject from the perspective of the broadest areas of Western philosophy namely metaphysics epistemology logic and moral philosophy The collection also features a plurality of religious cultural and theological views on the nature of demons from both Eastern and Western thought in addition to views that may diverge from these traditional roots Philosophical Approaches to Demonology will be of interest to philosophers of religion theologians and scholars working in philosophical theology and demonology as well as historians cultural anthropologists and sociologists interested more broadly in the concept of demons *God, Self and Ego* Philip St. Romain,2010-04-22 What do we mean by the terms God Self and Ego The answer depends on one's view of human nature and its relationship to the divine Using the philosophy and theology of St Thomas Aquinas to qualify his terms author Philip St Romain describes different possible relationships between God Self and Ego and the disciplines to support these

Renewal Apologetics Christopher J. Wilson,2019-12-09 Why do you believe in God Why do you believe in the Bible Why do you believe in miracles These are questions that Christians are often asked by sceptics The field of apologetics attempts to provide rational answers to these and other questions Unfortunately apologetical answers to these questions are often abstract and philosophical However the Christian apologist evangelist has a much more powerful argument in their arsenal the argument from miracles Miracles are the original Christian apologetic It was through the witnessing of miracles that Christianity was originally spread By applying modern tools of philosophical inquiry and scientific methodology Wilson is able to establish a core set of miracles which defy naturalistic explanations and strongly point toward occurrences of Special Divine Action SDA However once these occurrences are proven to be genuine miracles several questions remain Why does God sometimes perform miracles Why does he often answer no How do these random acts fit into his overall plans of redemption By answering these and other questions Wilson develops a comprehensive apologetic for both Christianity in general and the Renewal Movement in particular The Sword and the Mask Jon C. Furgeson,2022-08-12 Is spiritual warfare real Is it just a metaphor for social justice Do territorial spirits have a stranglehold on the planet What does the Christian do with the rising fascination with the supernatural in Western culture Does any of this matter for daily life With meticulous care Jon Furgeson dives into the sea of perspectives and voices in the church and Western culture bringing the reader on a journey to gain perspective After clearing the clutter and the confusion he presents a bold new yet faithful way to understand spiritual warfare to see how it affects every person to the foundations of who they are and how the Spirit of God

in Christ acts in the midst of the fallen powers to take broken sinners and turn them into antifrangible saints **The Mortal Instruments Companion** Lois H. Gresh, 2025-08-22 The Mortal Instruments Companion a must read guide to the wildly popular Mortal Instruments series is a terrific gift for the millions of fans both young and old especially with the Sony Pictures film version of City of Bones the first book in the series hitting theaters in August 2013 Written by the New York Times bestselling author of The Twilight Companion and The Hunger Games Companion the book takes fans deeper into the world of the Shadowhunters created by Cassandra Clare a gritty urban fantasy world full of demon hunters into which Clary Fray a Brooklynite previously unaware of the magical world is suddenly and inexplicably pulled The Mortal Instruments Companion includes fascinating background facts about the action in all seven books a revealing biography of the author and amazing insights into the series major themes and features from the nature of evil and the Downworlders to the power of the Sight to the Mortal Instruments themselves It's everything fans have been hungering for since the very first book This book is not authorized by Cassandra Clare Margaret K McElderry Books or anyone involved in the City of Bones movie
