Anger The Seven Deadly Sins New York Public Library Lectures In Humanities:

New York, 2003-03 **Greed** Phyllis A. Tickle, 2004-04-15 Grasping Avarice Covetousness Miserliness Insatiable cupidity Overreaching ambition Desire spun out of control The deadly sin of Greed goes by many names appears in many guises and wreaks havoc on individuals and nations alike In this lively and generous book Phyllis A Tickle argues that Greed is the Matriarch of the Deadly Clan the ultimate source of Pride Envy Sloth Gluttony Lust and Anger She shows that the major faiths from Hinduism and Taoism to Buddhism and Christianity regard Greed as the greatest calamity humans can indulge in engendering further sins and eviscerating all virtues As the Sikh holy book Adi Granth asks Where there is greed what love can there be Tickle takes a long view of Greed from St Paul to the present focusing particularly on changing imaginative representations of Greed in Western literature and art Looking at such works as the Psychomachia or Soul Battle of the fifth century poet Aurelius Clemens Prudentius the paintings of Peter Bruegel and Hieronymous Bosch the 1987 film Wall Street and the contemporary Italian artist Mario Donizetti Tickle shows how our perceptions have evolved from the medieval understanding of Greed as a spiritual enemy to a nineteenth century sociological construct to an early twentieth century psychological deficiency and finally to a new view powerfully articulated in Donizetti's mystical paintings of Greed as both tragic and beautiful Engaging witty brilliantly insightful Greed explores the full range of this deadly sin's subtle chameleon like qualities and the enormous destructive power it wields evidenced all too clearly in the world today *Envy* Joseph Epstein, 2003-08-28 Malice that cannot speak its name cold blooded but secret hostility impotent desire hidden rancor and spite all cluster at the center of envy Envy clouds thought writes Joseph Epstein clobbers generosity precludes any hope of serenity and ends in shriveling the heart Of the seven deadly sins he concludes only envy is no fun at all Writing in a conversational erudite self deprecating style that wears its learning lightly Epstein takes us on a stimulating tour of the many faces of envy He considers what great thinkers such as John Rawls Schopenhauer and Nietzsche have written about envy distinguishes between envy yearning jealousy resentment and schadenfreude a hardy perennial in the weedy garden of sour emotions and catalogs the many things that are enviable including wealth beauty power talent knowledge and wisdom extraordinary good luck and youth or as the title of Epstein's chapter on youth has it The Young God Damn Them He looks at resentment in academia where envy is mixed with snobbery stirred by impotence and played out against a background of cosmic injustice and he offers a brilliant reading of Othello as a play more driven by Iago's envy than Othello's jealousy He reveals that envy has a strong touch of malice behind it the envious want to destroy the happiness of others He suggests that envy of the astonishing success of Jews in Germany and Austria may have lurked behind the virulent anti-Semitism of the Nazis As he proved in his best selling Snobbery Joseph Epstein has an unmatched ability to highlight our failings in a way that is thoughtful provocative and entertaining If envy is no fun Epstein's Envy is truly a joy to read *Anger* Robert A. F. Thurman, 2006 Heated words cool malice deadly feuds the furious rush of adrenaline anger is clearly the most destructive of

the seven deadly sins It can ruin families wreck one's health destroy peace of mind and at its worst lead to murder genocide and war In *Anger* Robert A F Thurman best selling author and one of America's leading authorities on Buddhism and Eastern philosophy offers an illuminating look at this deadliest of sins In the West Thurman points out anger is seen as an inevitable part of life an evil to be borne not overcome There is the tradition of the wrathful God of Jesus driving the money changers from the temple If God can be angry how can men rid themselves of this destructive emotion Thurman shows that Eastern philosophy sees anger differently Certainly it is a dreadful evil one of the three poisons that underlie all human suffering But Buddhism teaches that anger can be overcome Indeed the defeat of anger is not only possible but also the only thing worth doing in a lifetime Thurman shows how to recognize the destructiveness of anger and understand its workings and how we can go from being a slave to anger to becoming a knight of patience We discover finally that when this deadliest emotion is transmuted by wisdom it can become the most powerful force in freeing us from human suffering Drawing on the time tested wisdom of Buddhism Robert A F Thurman ranges from the individual struggle with anger to global crises spurred by dogmatic ideologies religious fanaticism and racial prejudice He offers a path of calm understanding in a time of terrorism and war *Greed*, 2004 *Anger* Robert A. F. Thurman, 2004 **Gluttony : The Seven Deadly Sins** Francine

Prose, 2003-09-11 In America notes acclaimed novelist Francine Prose we are obsessed with food and diet And what is this obsession with food except a struggle between sin and virtue overeating and self control a struggle with the fierce temptations of gluttony In *Gluttony* Francine Prose serves up a marvelous banquet of witty and engaging observations on this most delicious of deadly sins She traces how our notions of gluttony have evolved along with our ideas about salvation and damnation health and illness life and death Offering a lively smorgasbord that ranges from Augustine's Confessions and Chaucer's Pardoner's Tale to Petronius's Satyricon and Dante's Inferno she shows that gluttony was in medieval times a deeply spiritual matter but today we have transformed gluttony from a sin into an illness it is the horrors of cholesterol and the perils of red meat that we demonize Indeed the modern take on gluttony is that we overeat out of compulsion self destructiveness or to avoid intimacy and social contact But gluttony Prose reminds us is also an affirmation of pleasure and of passion She ends the book with a discussion of M F K Fisher's idiosyncratic defense of one of the great heroes of gluttony Diamond Jim Brady whose stomach was six times normal size The broad shiny face of the glutton Prose writes has been and continues to be the mirror in which we see ourselves our hopes and fears our darkest dreams and deepest desires Never have we delved more deeply into this mirror than in this insightful and stimulating book **Lust** Simon Blackburn, 2004
