Pharmacology for Nursing Care - E-Book Richard A. Lehne, Laura Rosenthal, 2014-06-25 A favorite among nursing students Pharmacology for Nursing Care 8th Edition features a uniquely engaging writing style clear explanations and unmatched clinical precision and currency to help you gain a solid understanding of key drugs and their implications as opposed to just memorization of certain facts Compelling features such as a drug prototype approach use of large and small print to distinguish need to know versus nice to know content and a focus on major nursing implications save you study time by directing your attention on the most important need to know information The new edition also features an abundance of content updates to keep you ahead of the curve in school and in professional practice

UNIQUE Engaging writing style with clear explanations makes content easy to grasp and even enjoyable to learn A drug prototype approach uses one drug within each drug family to characterize all members of its group to help you learn about related drugs currently on the market and drugs that will be released once you begin practice

UNIQUE Special Interest Topic boxes address timely issues in pharmacology and connect pharmacology content with current trends Large print small print design distinguishes essential need to know information from nice to know information Limited discussion of adverse effects and drug interactions keeps your limited study time focused on only the most clinically important information Reliance on up to date evidence based clinical guidelines ensures that therapeutic uses are clinically relevant Integrated and summarized nursing content demonstrates the vital interplay between drug therapy and nursing care Coverage of dietary supplements and herbal interactions equips you to alert patients and caregivers to the potential dangers of certain dietary supplements including interactions with prescribed and over the counter drugs and herbal therapies Additional learning features provide a touchstone for study and review as you complete reading assignments and build a foundation of pharmacologic knowledge

Girls Auto Clinic Glove Box Guide Patrice Banks, 2017-09-19 As featured on Fresh Air with Terry Gross A do it herself guide to auto maintenance roadside emergencies and the real scoop on how women can get honest car service at the garage from engineer turned auto mechanic and award winning entrepreneur Patrice Banks Do you feel lost when explaining your car problems to a mechanic Do you panic when something goes wrong with your ride Have you felt like you were being overcharged or pressured into unnecessary add ons at the auto shop Fear no more The Girls Auto Clinic Glove Box Guide has got your back So many women feel powerless nervous or embarrassed when taking our cars in for a repair and yet we outnumber men both as drivers and as customers at auto repair shops The time has come for

us to grab the wheel and finally take control of our cars Filled with easy to follow illustrations and instructions great tips and lifesaving rules of thumb The Girls Auto Clinic Glove Box Guide will help take away the confusion and mystery surrounding cars teach women what they need to know about how their cars work and what they need to do to keep them running smoothly Patrice Banks was once like most of us a self professed auto airhead who was clueless about car maintenance yet convinced that mechanics were taking advantage of her Now she s an auto pro devoted to empowering women to learn basic car repairs and knowing what to do in an emergency So whether you get a flat tire when you re stranded in the middle of nowhere your car overheats or a mysterious dashboard light suddenly starts blinking help is just a reach in the glove box away
