Storyville : The Prostitute Murders #4 Gary Reed,2015-09-24 The investigation makes headway as answers start to develop that explain the murders A society of businessmen who banded together for profit and appearances may be the key to the murders In a city full of disease before the era of antibiotics deadly diseases may also play a major role But the investigators have to be careful as the city is on the precipice of another riot which decimated the city a decade earlier Part 4 of 5

Storyville: The Prostitute Murders Gary Reed,2015-06-08 Storyville The Prostitute Murders is a graphic novel set in the Storyville district of 1910 New Orleans which

was the home for the Devil's Blues which later became known as jazz. The legalized red light district ran for 25 years and virtually everything was permitted from sex to booze from gambling to drugs. The only thing that was not acceptable was murder because murder was bad for business. When prostitutes and their customers start being killed, Detective Brian Donahue, a transplant from Chicago, finds he has no answer to these seemingly random murders. Pressured by superiors and the local political machine, Donahue enlists the aid of Dr. Eric Trevor, a psychiatrist at the nearby Saint James Infirmary. And the two of them embark to unravel the mystery of this new type of killer seldom seen before: a serial killer. From the mind of Gary Reed, writer of the critically acclaimed *Renfield* and *Saint Germaine*, graphic novels.

While attempting to solve the Storyville district murders in 1910 New Orleans, Dr. Eric Trevor finds out that Detective Donahue is much more resourceful than he thought as he is invited to participate in Donahue's private investigation since officially things have to be kept quiet so as not to disrupt the thriving economic base of Storyville. New to the city, Trevor finds out about the past of Storyville while at the same time attending his Saint James Infirmary patients, including a 15-year-old boy who murdered his two friends for no apparent reason. Trevor explains to the investigative police team about the ideas behind Jack the Ripper and how the cases might be eerily similar.

Part 3 of 5 **Nobody's Hero** Mark Leslie, 2020-01-14

Some are born to save the world. Most of us just dream about it. What makes a hero? Is a hero someone who puts on a mask and costume and rushes to the rescue? Is a hero someone who lands a crippled airplane? Is a hero someone who finds a cure to a wasting disease? Is a hero someone who uses their supernatural powers to help others? Is a hero someone who loves another person so much they put their needs ahead of their own? Is a hero someone who stops in the hustle and bustle of life just to listen to those who no longer have a voice? Heroes come in all shapes, sizes, and personas. And that is what this short story collection is about: Seven stories that explore heroes and heroic activities. Some are: Born to Save the World, Collateral Damage, The Zombie Whisperer, This Time Around, A Murder of Scarecrows, Memento Mori, From Out of the Night. If you like stories reminiscent of *The Twilight Zone*, *The Outer Limits*, or *Black Mirror*, then you'll love this themed collection of short tales from Mark Leslie.
