A Popular Survey Of The Old Testament:

Popular Survey of the Old Testament, A Dr. Norman Geisler, 2007-09-01 The world of the Old Testament can seem hard to understand especially for people living in times and places so far removed from the ancient Middle East It s not just that we wear different clothes and hold different jobs people in the West just don t have the same history the same culture or the same way of thinking as Old Testament characters like Abraham and David And this disconnect can make studying the Old Testament an arduous and confusing process A Popular Survey of the Old Testament is designed to help regular Christians enrich their understanding of Old Testament people and events Illustrated throughout with color photos charts and maps and written in an easy informal style this survey is accessible and enjoyable to Christians of all backgrounds A *Popular Survey of the Old Testament* Norman L. the moment comes from a broad understanding of God's revelation in the Bible. When you grasp God's Word holistically, your life begins to make more sense each and every day. Know quickly and easily the subject and purpose of each book of the Bible. See the entire masterpiece instead of focusing on the brushstrokes. Understand the broad themes that occur from Genesis to Revelation to find God's purpose and plan for your life.
