A Ruckus Of Awkward Stacking A Ruckus Of Awkward Stacking:

A Ruckus of Awkward Stacking Matt Robinson, 2009 A Ruckus of Awkward Stacking is about memory OCo memory as a poetic form through which refractions of loss recovery discovery and identity form an imaginative reshaping of the past In raw brushstrokes Robinson records the slow cascade of events and characters slipping through the thin membrane of experience shaping our histories At the same time he experiments with style and form in a wonderfully sinuous writing With this his first book Robinson makes a staggering debut on the North American literary stage No Cage Contains a Stare That Well matt robinson, 2005-09-23 Each poem in this collection is a self contained vessel in which a distinct bit of Canada s national game of hockey a player or a fight a save or a goal an injury or a regret is preserved **The Antigoniish Review**, 2002 Canadian Book Review Annual Joyce M. Wilson, 2003 *How We Play at it* matt robinson, 2002-09 at first the suspension of disbelief then comparison the compulsion to equate it Adam and Eve hockey sticks and baseball games the hairbrushes the dead leave behind photographs and stains on the carpet love in filthy apartments someone s cat hit by a car Matt Robinson s second collection of poetry catalogues the bits and pieces the art and artefacts the acts and atrocities that make up the living of lives In poems whose images and metaphors weave into and around each other how we play at it a list articulates and exposes at times even interrogates how it is we play about our days Grief the epic stories and everyday myths we create and tell the interaction of fathers and sons the games we season our time with the battles we wage how who and what we love all these appear as a million dark spots all those shadows strobe dancing cutting across the page These are poems engaged with the personal colloquial and the more lyrically metaphoric aspects of language Through a highly controlled use of the couplet and single line employing a diction and syntax at times flowing and at others jagged they seek to reflect some of the intra and inter personal dynamics that are that might be or at least help move towards an understanding of it it is a swirling explosive mixture of an idea some conjecture or philosophy and the orchestrations of your arms the guttural music song *The Malahat Review*, 2009 Prism International, 2012 **Journal of Canadian Poetry**, 2003 Westerly, 2000 **The Western Humanities Review**, 2002
