Buller, 2005-07 *Limelight* Coming of age in Paris in the 1920s film and stage actress Lois Moran was a rumored paramour of writer F Scott Fitzgerald and the inspiration for the character of Rosemary in his *Tender Is the Night* As a young girl Lois moved to Paris with her mother and thrived in the artistic and literary glow of the city She danced with the National Paris Opera at age 14 and also was cast in two French films Samuel Goldwyn on a European tour in search of new talent saw her work and was impressed He cast her in what would become one of the best known films of the era With her performance as Laurel the emotionally conflicted daughter in *Stella Dallas* Lois Moran became an overnight sensation and took Hollywood by storm and on her own

terms The author corresponded with Lois Moran during the last five years of her life He had full and exclusive access to her journals scrapbooks and photos In telling the Lois Moran story Buller illuminates the history of film theater and television He also includes a thorough and unique account of the actress s relationship with Fitzgerald **HARDCOVER** **Some Sort of Epic Grandeur** Matthew J. Bruccoli, 2022-06-28 Epic indeed this is the definitive biography of Fitzgerald plain and simple There s no reason to own another Library Journal The Great Gatsby The Beautiful and Damned Tender Is the Night The Curious Case of Benjamin Button These works and more elevated F Scott Fitzgerald to his place as one of the most important American authors of the twentieth century After struggling to become a screenwriter in Hollywood Fitzgerald was working on The Last Tycoon when he died of a heart attack in 1940 He was only forty four years old Fitzgerald left behind his own mythology He was a prince charming a drunken author a spoiled genius the personification of the Jazz Age and a sacrificial victim of the Depression Here Matthew J Bruccoli strips away the fa ade of this flawed literary hero He focuses on Fitzgerald as a writer by tracing the development of his major works and his professional career Beginning with his Midwest upbringing and first published works as a teenager this biography follows Fitzgerald s life through the successful debut of *This Side of Paradise* his turbulent marriage to Zelda Sayre his time in Europe among The Lost Generation the disappointing release of *The Great Gatsby* and his ignominious fall As former US poet laureate James Dickey said the spirit of the man is in the facts and these as gathered and marshalled by Bruccoli over thirty years are all we will ever need But more important they are what we need **Goldwyn** A. Scott Berg, 2013-08-01 Samuel Goldwyn was the premier dream maker of his era a fierce independent force i a time when studios ruled a producer of silver screen sagas who was in all probability the last Hollywood tycoon In this riveting book Pulitzer Prize winning biographer A Scott Berg tells the life story of this remarkable man a tale as rich with drama as any feature length epic and as compelling as the history of Hollywood itself *The Cambridge Companion to F. Scott Fitzgerald* Ruth Prigozy, 2002 Eleven specially commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F Scott Fitzgerald as a writer and as a public and private figure No aspect of his career is overlooked from his first novel published in 1920 through his more than 170 short stories to his last unfinished Hollywood novel Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century The introduction traces Fitzgerald s career as a literary and public figure and examines the extent to which public recognition has affected his reputation among scholars critics and general readers over the past sixty years This volume offers undergraduates graduates and general readers a full account of Fitzgerald s work as well as suggestions for further exploration of his work **The Gatsby Affair** Kendall Taylor, 2018-08-08 The romance between F Scott Fitzgerald and Zelda Sayre has been celebrated as one of the greatest of the 20th century From the beginning their relationship was a tumultuous one in which the couple s excesses were as widely known as their passion for each other Despite their love both Scott and Zelda engaged in flirtations that threatened

to tear the couple apart But none had a more profound impact on the two and on Scott s writing as the liaison between Zelda and a French aviator Edouard Joze Though other biographies have written of Joze as one of Scott s romantic rivals accounts of the pilot s effect on the couple have been superficial at best In *The Gatsby Affair* Scott Zelda and the Betrayal That Shaped an American Classic Kendall Taylor examines the dalliance between the southern belle and the French pilot from a fresh perspective Drawing on conversations and correspondence with Joze s daughter as well as materials from the Joze family archives Taylor sheds new light on this romantic triangle More than just a casual fling Zelda s tryst with Edouard affected Scott as much as it did his wife and ultimately influenced the author s most famous creation Jay Gatsby Were it not for Zelda s affair with the pilot Scott s novel might be less about betrayal and more about lost illusions Exploring the private motives of these public figures Taylor offers new explanations for their behavior In addition to the love triangle that included Joze Taylor also delves into an earlier event in Zelda s life a sexual assault she suffered as a teenager one that affected her future relationships Both a literary study and a probing look at an iconic couple s psychological makeup *The Gatsby Affair* offers readers a bold interpretation of how one of America s greatest novels was influenced

F. Scott Fitzgerald A. Hook,2002-08-05 Often seen as a mirroring the contemporary movement of American history itself Scott Fitzgerald s literary life was a roller coaster ride from early success in the 1920s to apparent oblivion by the end of the 1930s This study attempts to account for such a problematic career by focusing on Fitzgerald s struggle to sustain a perilous balancing act between his commitment to a totally involving life on the one hand and his parallel commitment to the serious business of art on the other
