Sharper Than A Serpent's Tooth Simon R. Green, 2006-02-28 My name is John Taylor I m a PI for hire in the Nightside the dark and corrupt city within the city of London Where the sun never shines and where pleasure and horror are always on sale for the right price Not a nice place to visit or a nice place to live So you wouldn't think I would care that it was about to be destroyed by none other than my very own long missing not quite human mom But I do I was born here I live here and I got friends here They might not all be acceptable in polite company but they re my friends nonetheless I know that I m the only one who can stop her The trick is how to do it without fulfilling this prophecy that says whatever action I take not only is the Nightside doomed but the rest of the world will soon follow

Green, 2004-04-27 The name's John Taylor I work the garish streets of the Nightside the hidden heart of London where it's always three A.M. where in human creatures and otherworldly gods walk side by side in the endless darkness of the soul I have a talent for finding things People property no problem But now I'm after something different A local diva called the Nightingale has cut herself off from her family and friends and I've been hired to find out the reason I'm also wondering why her suicide prone fans think she has a voice to die for Literally To get the truth I'll have to lend an ear to the most enticingly beautiful and deadly voice in all of the Nightside and survive *The Man with the Golden Torc* Simon R.
