A Soul Mates Promise:

Soulmates Julia Estigoy, 2001-07 A fictional novel about one woman's path towards healing. It begins with Jasmine embarking on a new career in the art of healing, hoping to make a difference in the world by touching the lives of others. Instead, she is touched by the spirit of another and through that spirit discovers her true Self. While on the journey, she finds new love, is reminded of an old loss, and begins to fear the future and finds hope in the past. She faces external challenges and internal demons which send her into the darkness of despair. But it is in the descent that propels her further into the sojourn of the Self. During a moment of absolute emptiness, a reverie takes her into the very core of her being, her true essence. It is in touching that part she connects to a spirit belonging to her best friend, her soulmate. It is his love, his light, and a long forgotten secret that guides her out of the darkness and is the one to offer hope. And it is the secret that brings her back to the path, to her calling, to her purpose.

Alpha's Soulmate Purnima Negi, 2023-12-21 The only thing I want is to live freely, choose my own husband, do what I like to, and not being restrained by someone just because he wants me to. In a world where mythical creatures rule, humans are treated as nothing. Humans don't have any rights, nor are they given any respect. Unless that human is someone's soulmate. Every human wants to be someone's soul mate except her. She despises mythical creatures, especially werewolves, because they were the ones who turned her into an orphan. What happens when she finds that she is indeed a soul mate of a monster werewolf? In addition to it, that monster turns out to be the Alpha of the region. How will she escape her fate when the Alpha is insanely in love with her? Note: Alphas are notoriously powerful and possessive of their soulmate.

The Alpha's Soulmate Raven Hart, 2025-06-09 In a world where mythical creatures rule, humans are nothing more than slaves, subjugated, powerless, and without rights. They live in the shadows, bound by the whims of their supernatural masters. The only glimmer of hope in this oppressive world is the belief that someday they might become the soul mate of one of these creatures. But not her. She has always despised the very thought of mythical beings, especially werewolves, the monsters who are both feared and revered in equal measure. Every bone in her body rejects the idea that she could ever be connected to one of them. To her, they are nothing but predators, their power and cruelty leaving nothing but destruction in their wake. The idea of being anyone's soul mate, let alone a werewolf's, is a notion that repulses her. But fate has a twisted sense of humor. When she discovers that she is in fact the soul mate of one of these so-called monsters, everything she thought she knew about the world and herself shatters. To make matters worse, the werewolf she's destined for isn't just any creature; he's the Alpha, the most powerful and feared leader in the region. He holds dominion over not just werewolves but all the mythical creatures who have long held sway over humanity. Now she is caught in a battle she never asked for. Her hatred for these creatures is torn apart by the undeniable bond growing between them, a bond that calls to her soul even as it repels her heart. She's faced with a choice: reject the mate bond and risk everything—her life, her freedom, and her very identity—or embrace it and become the Alpha's mate in a world where power and control reign supreme. Will she

overcome her deep seated hatred and accept the truth of her soul's connection to the very monster she's spent her life despising Or will the weight of the bond prove too much tearing her apart in ways she never imagined **Midnight Promises** Sherryl Woods, 2019-03-26 The Sweet Magnolias is now a Netflix Original Series From 1 New York Times Bestselling Author Sherryl Woods When Elliott Cruz first courted struggling single mom Karen Ames it was a romance worthy of any Sweet Magnolia fantasy The sexy personal trainer made it his mission to restore Karen's strength physical and emotional and to charm her children Now a few years into the marriage colliding dreams threaten to tear them apart Elliott's desire to finance the business opportunity of a lifetime with their hard earned baby money stirs Karen's deep rooted financial insecurities It's the discovery that their brother in law is cheating on Elliott's sister and thinks it's justified that puts their irreconcilable differences into perspective Will their own loving fidelity be a bond so strong they can triumph against all odds Read the Sweet Magnolias Series by Sherryl Woods Book One Stealing Home Book Two A Slice of Heaven Book Three Feels Like Family Book Four Welcome to Serenity Book Five Home in Carolina Book Six Sweet Tea at Sunrise Book Seven Honeysuckle Summer Book Eight Midnight Promises Book Nine Catching Fireflies Book Ten Where Azaleas Bloom Book Eleven Swan Point Bonus The Sweet Magnolias Cookbook **Theopoetics** Phillip Michael Garner, 2017-08-29 Theopoetics is a collection of poetry filled with reflective inspiration from the heart and mind of a person filled with pathos over the plight of humanity Each poem reflects his personal wrestling with theology and reality as he is determined to bring God into the world with a synthesis of pathos intellect experience and words The aesthetic of poetry provides the author with an expressive outlet to imagine life within a genre where limitations give way to possibilities in a world where the concretization of society prevails Theopoetics is an effort to communicate spirituality combined with theology into words words that ignite the soul with hope and challenge Each poem contains numerous theological insights born from years of teaching students both in the classroom and abroad These efforts at educating have been in active pursuit of bringing tikkun olam that is repairing the world to oppressed persons and various communities of need The author is committed to the idea that theology must be practical with ready application for participating in salvation as both personal and historical As a practitioner of nonviolence his calls for peace resonate throughout the book Theopoetics is for persons seeking a spiritually challenging devotional experience *Soulmates for The Brokenhearted* B.
