Acrostic Poems Zoo Animals:

Poetry Mentor Texts Lynne R. Dorfman, Rose Cappelli, 2012 In *Poetry Mentor Texts* Lynne and Rose show teachers how to use poems in both reading and writing workshops and across content areas. Written in a friendly conversational tone, this practical book explores a variety of poetic forms including poems that inspire response, list poems, acrostic poems, persona poems, and poems for two voices. Versatile forms of poetry that can be used in every grade. Each of these poetic forms has its own chapter featuring five poems with applications for both reading and writing classrooms. Reading connections present skills and strategies to move students forward as readers, helping them to build fluency, vocabulary, comprehension, phonemic awareness, and phonics. Writing connections help students and teachers discover their own voices and grow as poets and wordsmiths as they try out many poetic forms. Poems help students at all grade levels learn to better address complex reading texts, offering them a chance to dig deeper and use higher order thinking skills. Additionally, Your Turn writing lessons provide a scaffold for seamlessly moving from modeling to the shared or guided experience and the transfer to independent work. The Treasure Chest offers a brief annotation of the poems discussed in each chapter, as well as companion pieces that extend and enhance the work of the reading and writing classroom. Publisher's description: P Is for Poetry Julie Fox, 2010-05 *P is for Poetry* will make you giggle and laugh while it sparks your imagination. Writing Winning Reports Sandy Woolley, 2005 Written reports have been a favorite format for sharing knowledge in schools since the invention of paper and pen. *Writing Winning Reports* stresses not only producing a polished report but also gaining important research and organizational skills in the process. It presents guidelines for 15 broad research topics. Each unit provides an outline of how to organize the report, a point breakdown for grading, a list of alternative projects. Guidelines are open enough to allow for individual creativity but organized to assure successful presentation. This is an easy-to-use format, the beginning of winning reports.
