Sex and the American Teenager R. Murray

Thomas, 2011-12-16 Sex and the American Teenager provides an expert's assessment of the controversies surrounding the sexual development of adolescents and their beliefs and problems regarding such matters. Using numerous case studies, Dr. Thomas illustrates specific ways that sexual issues arise in school and the variables that impact each case while suggesting ways parents and school officials can deal with problematic situations. Though not simply statistics laden, Dr. Thomas's book is replete with information about teenagers who engage in sexual acts, become pregnant, are sexually abused, and contract sexually transmitted diseases. Dr. Thomas also discusses the coping methods teenagers use and he describes the types of sex education programs in which students are most likely to participate. Dozens of case studies illustrate how problems of students' sexual behavior can differ from one incident to another depending on the teenagers' ages, family backgrounds, school settings, and the culture of the surrounding communities. Thomas concludes the book by summarizing the recent past and

speculating about the likely status of sex in schools in the years ahead *Emotional Literacy* Andrew Moffat, 2017-07-05

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
