Project Animal Farm Sonia Faruqi, 2015-07-15 Sonia Faruqi had an Ivy League degree and a job on Wall Street But when the banking industry collapsed she found herself on a small organic dairy farm that would change her life for the better although it didn't seem that way in the beginning First she had to come to grips with cows shocked into place cannibal chickens and free range turkeys that went nowhere But there were bright lights as well happy frolicking calves on a veal farm and farmers who cared as much about the animals as their pocketbooks What started as a two week volunteer vacation turned into a journey that reached into the darkest recesses of the animal agriculture industry Surrounded by a colorful cast of characters Faruqi's quest to discover the truth about modern agribusiness took her around the world Lively edgy and balanced *Project Animal Farm* sheds light on the international agribusiness with the ultimate goal of improving the lives of farm animals here at home Using her finance background to forecast the future of agriculture Faruqi discusses the changes we need to make using our forks and our votes

#OrganicJesus Scott Douglas, 2016-06-08 If Generation Next is supposed to question everything and trust no one where does faith fit in Consumers demand that their food be pesticide free their cosmetics and shampoo be paraben free and that everything possible from clothes to toilet paper be made without additives or chemicals But there s nothing that has more additives to the original product than Christianity How do we get back to the 100% organic version of Jesus In his personal search for the organic Jesus Scott Douglas goes on a funny thought provoking romp through the foundations of belief Christianity he says has become a simulacrum a bloated overprocessed image that lacks the true substance of the real thing His search for the original took him far and wide through historical Christ figures urban legends odd facts about the faith freakishly flawed Christians and the Internet Using relatable contemporary anecdotes and unlikely wisdom concealed within humor Douglas reveals a way back to the authentic essence of following Christ By including wiki breaks social media callouts quizzes charts and more OrganicJesus is ideal for readers raised on social media who can t step out of their house without tweeting about it or eat lunch without posting on Instagram Douglas is careful to be as non biased as possible writing not for any particular agenda political or otherwise but instead encouraging readers to seek their own path for spiritual renewal The result is a candid look at modern Christianity that will challenge savvy young Christians to put as much effort into discovering sustainable religion as they do in their pursuit of an organic marketplace
