Burger King Uniform Shirt:

Celebrity and Entertainment Obsession Michael S. Levy, 2015-08-06 Celebrity culture surrounds us. We are inundated with information about actors and actresses, athletes, musicians, and others who have become famous or infamous. Although we never will likely meet or get to know them, our interest in them seems boundless. We are literally obsessed with being entertained as well as with the people who entertain us. Who our celebrities are has also shifted in the past; celebrity status was bestowed on men and women of great accomplishment, those who had given the world something to be proud of and to celebrate. Conversely, today's celebrities are generally people involved in entertainment, from TV newscasters to people who appear on reality television programs as well as some who are simply famous for being famous. What remains an enigma is why we as a society are so infatuated with being entertained as well as with those who entertain us and appear in the media. This book makes sense of this spectacle by explaining the reasons for this obsession from a psychological, social, and historical perspective. It suggests that we have become addicted in much the same way that a person becomes addicted to drugs or alcohol. Finally, the author offers his observations on how to free our minds from this captivation. Anyone interested in understanding more about our need to live vicariously through the rich and famous will find answers in this book. **How to Become a Millionaire in Your Jeans and a T-shirt Using Real Estate** Rico Vecc, 2005-06-09 Have you ever wanted to get involved in real estate investing? If so, this book is a must read. After reading *How to become a Millionaire in your Jeans and a T-shirt*, you will be equipped with the tools that real estate Millionaires use. Give it 30 days and you too will own investment property. **Making Fast Food** Ester Reiter, 1996 Some say the adventurous days of grueling and dangerous scientific exploration are long gone, but Reiter, sociology professor at Brock University, undertook a 10-month trek without pay into the uncharted wilds of a Burger King kitchen to bring us first-hand accounts of the strange and marvellous customs of the natives. The illustrations are hilarious. Annotation copyrighted by Book News Inc. Portland, OR. *Hope* Amanda Berry, Gina DeJesus, Mary Jordan, Kevin Sullivan, 2016-04-26 The #1 New York Times Bestseller. A bestselling book that inspired the nation. We have written here about terrible things that we never wanted to think about again. Now we want the world to know we survived, we are free, we love life. Two women kidnapped by infamous Cleveland school bus driver Ariel Castro share the stories of their abductions, captivity, and dramatic escape. On May 6, 2013, Amanda Berry made headlines around the world when she fled a Cleveland home and called 911 saying, "Help me. I'm Amanda Berry. I've been kidnapped and I've been missing for ten years." A horrifying story rapidly unfolded. Ariel Castro, a local school bus driver, had separately lured Berry, Gina DeJesus, and Michelle Knight to his home where he kept them chained. In the decade that followed, the three were raped, psychologically abused, and threatened with death. Berry had a daughter, Jocelyn, by their captor. Drawing upon their recollections and the diary kept by Amanda Berry, Berry and Gina DeJesus describe a tale of unimaginable torment, and Pulitzer Prize-winning Washington Post reporters Mary Jordan and Kevin Sullivan interweave the events within Castro's house with original reporting on efforts to

find the missing girls The full story behind the headlines including details never previously released on Castro s life and motivations Hope is a harrowing yet inspiring chronicle of two women whose courage ingenuity and resourcefulness ultimately delivered them back to their lives and families

Survival of the Prettiest Nancy Etcoff,2011-02-02 A provocative and thoroughly researched inquiry into what we find beautiful and why skewering the myth that the pursuit of beauty is a learned behavior In Survival of the Prettiest Nancy Etcoff a faculty member at Harvard Medical School and a practicing psychologist at Massachusetts General Hospital argues that beauty is neither a cultural construction an invention of the fashion industry nor a backlash against feminism it s in our biology Beauty she explains is an essential and ineradicable part of human nature that is revered and ferociously pursued in nearly every civilization and for good reason Those features to which we are most attracted are often signals of fertility and fecundity When seen in the context of a Darwinian struggle for survival our sometimes extreme attempts to attain beauty both to become beautiful ourselves and to acquire an attractive partner suddenly become much more understandable Moreover if we understand how the desire for beauty is innate then we can begin to work in our own interests and not just the interests of our genetic tendencies
