The Journey of the Soul H. Mavioglu, 2003-12

The epic poem *The Journey of the Soul* is about the spiritual evolution of mankind. That growth shall come to pass when people better understand their souls. This understanding shall bring an end to superstition by overcoming ignorance. It shall nullify all form of oppression over the mind of beings. Negative energies shall disappear because there shall be no room in their hearts for fear, hate, envy, jealousy, and prejudice. People shall purge egotism out of their hearts and replace it with altruism. They shall listen to the eternal message of God, which has no beginning and no end. They shall delight in the things of the mind: love and beauty, kindness and tender feelings. People shall not judge each other but find each other through the path between their hearts.
