Bob Arctor is a junkie and a drug dealer both using and selling the mind altering Substance D Fred is a law enforcement agent tasked with bringing Bob down It sounds like a standard case The only problem is that Bob and Fred are the same person Substance D doesn t just alter the mind it splits it in two and neither side knows what the other is doing or that it even exists Now both sides are growing increasingly paranoid as Bob tries to evade Fred while Fred tries to evade his suspicious bosses In this award winning novel friends can become enemies good trips can turn terrifying and cops and criminals are two sides of the same coin Dick is at turns caustically funny and somberly contemplative fashioning a novel that is as unnerving as it is enthralling
