Timeline: Okinawa Stephen A. Okinawa it occurred to me that there is an almost endless array of publications each offering abundant facts opinions and uncertainties as to events dates of events and details of just about every aspect of the principalities kingdom province then finally prefecture of Okinawa ken including its 27 year interruption under U S occupation There is no way to present a comprehensive volume that covers all aspects of Okinawa s past and present without necessitating the use of a wheelbarrow to move it from one place to the next it would be that big This book s content is inspired by and is representative of what I ve read and to a lesser degree what I ve researched on the Internet Some of it is derived from personal experience or observation If you can t find information on a particular subject that just means that I haven t experienced it don t have it in my library or perhaps I do but haven t read it yet *King Wu Once Buckled on His Armor* Andreas Quast,2016-02-29
