Growing up in Haiti Edwidge Danticat kept well clear of carnival terrified by the stories of danger and debauchery that her uncle told her Decades later a grown woman and accomplished author she returns home to find out what she's been missing In this selection from *After the Dance* Danticat fuses her present day observations with her own childhood memories and weaves a deeply personal reflection on the home she left behind Through conversations with other attendees and her own deft reporting she takes readers into the very heart of the festival **A Walk Through Carnival** is as much memoir as it is travelogue and in these pages the National Book Critics Circle Award winning author of *Brother I'm Dying* brings the electric spirit of carnival vividly to life An eBook short **A Walk in the City** Thomas Porky McDonald, 2014-12-18 A random poem

written on a birthday years before finds a new life when a series of interrelated profiles come together in a most unexpected way This is what constitutes **A Walk in the City** writer poet Thomas Porky McDonald's New York City travelogue A compilation of pieces written originally for an internal website at his workplace in New York City transit this volume shares brief yet effective vignettes on a number of various sites in the city some famous and others hardly on the radar It is dedicated to the average tourist and/or the lifetime New Yorker McDonald's love of the place he's called home for his entire life comes across most vibrantly Though the outer boroughs are touched upon transiently this collection of go-to sketches and reminiscences is centered mainly in Manhattan which as any New Yorker knows is the place that all those who live in Brooklyn Queens the Bronx and Staten Island call The City From the world famous sites like the Empire State Building and Times Square to hidden jewels like the New York City Transit Museum the Theodore Roosevelt Birthplace or the New York City Fire Museum **A Walk in the City** provides something for anyone seeking interesting pit stops in New York whether planned ahead or merely in the course of a day already begun The book is subtitled *An Incomplete Tour* since it is McDonald's contention that no one could truly put every point of interest in the city into a single volume Here an unencumbered collection of articles attempts to send the reader out in search of something that cannot be explained without actually having the experience of being there In any case this is a city wanderer's bonanza one that should be considered by anyone who aspires to explore the diverse venues located in the greatest city in the world **Brooklyn Moments: A Literary Journey Through the Heart of New York**
