David Yellin

Activities For Standards Based Integrated Language Arts Instruction:

Activities for Standards-based, Integrated Language Arts Instruction Deborah A. Ellermeyer, Kay A. Chick, 2007-01-01

Creating Standards-Based Integrated Curriculum Susan M. Drake, 2012-05-08 In this completely revised and updated edition of Susan Drake's classic text on integrated curriculum the author provides a new approach to standards based curriculum instruction and assessment

Essentials of Integrating the Language Arts David Yellin, 2017-05-12
Essentials of Integrating the Language Arts Fifth Edition offers students all the practical tools they need to be effective language arts teachers supported by the necessary theoretical foundation Like its predecessors this edition presents a comprehensive approach to teaching the language arts balancing direct instruction in the communication arts and integrating the language arts with other content areas such as music art mathematics social studies and science It explores the important topics of community and caregiver involvement in education and offers thoughtful coverage of diversity in the schools Practical teaching ideas are found in every chapter The 5th Edition reflects current teaching practices field knowledge and research Significant changes include A more streamlined approach to allow readers to move quickly from learning chapter concepts and related theory and research to understanding how they are applied in classroom practices activities and strategies Discussion of standards including the Common Core State Standards CCSS with the goal of showing readers how they can apply standards in the classroom to help meet their students needs New teaching activities that support the chapter topics and align with the CCSS An appendix with more than 25 classroom assessment tools Discussion of current quality children's and young adult literature including informational texts supported by an appendix of annotated lists of books by genre Key Features In the Classroom vignettes describing real teachers implementing language arts strategies and activities with their students RRP Read Research Practice boxed features offering ideas for activities and projects Teaching Activities which future teachers can use in their own classrooms Field and Practicum Activities which readers can use now in field and practicum settings Discussions of technology and websites to help readers prepare to integrate technology in their own classrooms

Points of Disruption in the Music Education Curriculum, Volume 2 Marshall Haning, Jocelyn A. Stevens, Brian N. Weidner, 2024-05-15 For decades scholars in the field of music education have recognized the need for growth and change in our approach to teaching music yet despite these calls for change the music education curriculum today remains remarkably similar to that of a century ago Points of Disruption in the Music Education Curriculum Volume 2 Individual Changes is one of two volumes that bring together applied suggestions analyses and best practices for disrupting cycles of replication in the curriculum of K 12 and collegiate music education programs in the United States and beyond considering disruption as a force for positive change Identifying specific strategies for interrupting or reimagining traditional practices the contributors provide music teachers and music educators with a variety of potential practical approaches to creating changes that foster a better musical education at all levels of the curriculum This second volume

focuses on changes that can be implemented by individual educators covering topics including transcultural approaches student teacher power relations methods courses integrated music education and administrator support of teacher agency student teacher power relations and reimagining music education Bringing together 6 thought provoking chapters this book offers a diverse set of concrete strategies that will be useful to a wide range of music education stakeholders including teachers administrators and curriculum designers

Language-Based Approaches to Support Reading

Comprehension Francine Falk-Ross,2014-07-09 Language Based Approaches to Support Reading Comprehension takes a closer look at students who are frequently marginalized by language differences in the classroom whether by teachers oversight or simply the lack of information In order to remedy this situation Falk Ross and the contributing authors offer their different perspectives on supporting English language learners ELLs through specific strategies for assessment and instruction Each chapter presents a specific issue and challenge supportive research and up to date information classroom implications and strategies and case study applications relating to the particular perspective of literacy development for ELLs of middle level ages

Striking a Balance Nancy L. Cecil,2017-05-12 Striking a Balance explores a comprehensive program of early literacy instruction through a balanced approach to reading and writing for both enjoyment and information The fifth edition retains the special features that adopters have come to appreciate classroom vignettes discussion questions field based activities a student website and study guide This latest edition offers expanded content on differentiating instruction for diverse learners including working with English Language Learners and students with special needs Also new to this edition is greater coverage on integrating state standards with early literacy instruction The book s practical approach fundamentally demonstrates how children develop authentic literacy skills through a combination of direct strategy instruction and motivating contexts
