

# The EYFS on Tapestry

A SUGGESTED GUIDE

START

**1 | PLANNING/  
PROVISION**

You continually create and amend your **plan/provision** for your children as needed, based on your knowledge of where they are now and what you expect them to be able to access at each point in their development.

You can return to your reflection and fill in the **Impact** section, and change the status to **'Finished'**.

**24 | NO SUPPORT  
NEEDED**

The area for this child can be marked as **'No Concerns'** within the **Areas of Concern** screen.

**2 | OBSERVE**

Observe a child in your provision, if appropriate, make an observation and add corresponding area flags from the **EYFS 2021 flag set**.

KEY

If you see a button like this:

It means a change on the **Areas of Concern** screen, between **Concerns**, **No Concerns** and **Review**.

**25 | SUPPORT  
NEEDED**

You use the **Areas of Concern** screen to mark the learning as **'Concerns'** for that child. Or use **'Review'** if you feel that further observing/discussion is required.

The child needs further support.

**3 | REFLECT**

Using **Reflections**, you make a note of what you're **implementing** to support the child. To do this you will be using your **knowledge of the whole child**. You can link further observations and reflections to create a **timeline** showing the **impact** of the adjustments to your provision.

**4 | NEW PROVISION**

You **implement** the adopted provision and use your reflective practice to support the child.

**7 | NO FURTHER  
SUPPORT NEEDED**

You mark this area of learning for the child as **'No Concerns'** within the **Areas of Concern** screen.

The children secure in the area of learning.

**6 | OBSERVE**

You continue to observe the **impact** of your provision on the child's development. If appropriate, you make another observation using the same **EYFS 2021 flags**. By linking relevant observations to your previous reflection, you build a **timeline** showing this impact.

**5 | REVIEW**

When you notice that your adaptations are supporting the child to access the provision, you return to the **Areas of Concern** screen and mark the relevant area of learning as **'Review'**.
