A Woman's Forbidden Emotion Gary J. PhD Oliver,H. Norman DMin Wright,2005-01-26 Did you know that it is okay to get angry In fact anger is a proper and godly response to some of the challenges we face Written specifically for women and counselors this insightful and practical book corrects the popular notion that good Christian women should never get angry not for any reason not at anyone not ever While the Bible admonishes believers to be long suffering it also shows how anger can be a vital tool in God s hands for bringing about needed change

Emotional Intelligence Daniel Goleman,2009-07-20 A 25th anniversary edition of the number one multi million copy international bestseller that taught us how emotional intelligence is more important than IQ a revolutionary paradigm shattering idea Harvard Business Review Featuring a new introduction from the author Does IQ define our destiny In his groundbreaking bestseller Daniel Goleman argues that our view of human intelligence is far too narrow It is not our IQ but our emotional intelligence that plays a major role in thought decision making and individual success Self awareness impulse control persistence motivation empathy and social deftness all are qualities that mark people who excel whose relationships flourish who can navigate difficult conversations who become stars in the workplace With new insights into the brain architecture underlying emotion and rationality Goleman shows precisely how emotional intelligence can be nurtured and strengthened in all of us

Anger's Past Barbara H. Rosenwein,2018-10-18 Books have rarely been written about the history of any

emotion except love and shame and this volume is the very first on the meaning of anger in the Middle Ages Well aware of modern theories about the nature of anger the authors consider the role of anger in the social lives and conceptual universes of a varied and significant cross section of medieval people monks saints kings lords and peasants They are careful to distinguish between texts the sources on which historians must rely and the reality behind the texts They are sensitive as well to the differences between ideals and normative behavior The first eight essays in the volume focus on anger in the Latin West while the last two turn to the fringes of Europe the Celtic and Islamic worlds for purposes of comparison Barbara H Rosenwein concludes the volume with an essay on modern conceptions of anger and their implications for understanding its role in the Middle Ages The essays reveal much that is new about medieval rituals of honor and status and illuminate the rationales behind such seemingly irrational practices as cursing feuding and the punishment of blinding
