Paul Wells

Animation Genre And Authorship:

Animation Paul Wells, 2002 Wells provides an overview of the distinctive language of animation its production processes and the particular questions about who makes it under what conditions and with what purpose *The Crash Controversy* Martin Barker, Jane Arthurs, Ramaswami Harindranath, 2001 Between 1996-97 an almost unprecedented campaign was mounted in the British press against one film David Cronenberg's *Crash* What motivated this campaign What can it tell us about British film culture What impact did the campaign have on general audiences This book which draws on a year long investigation supported by the Economic and Social Research Council offers a series of important and challenging findings and is a major contribution to our understanding of censorship campaigns how audiences respond to films and the strategies employed in engaging with such texts The A to Z of Animation and Cartoons Nichola Dobson, 2010-04-01 Animation was once a relatively simple matter using fairly primitive means to produce rather short films of subjects that were generally comedic and often quite childish However things have changed and they continue changing at a maddening pace One new technique after another has made it easier faster and above all cheaper to produce the material which has taken on an increasing variety of forms The A to Z of Animation and Cartoons is an introduction to all aspects of animation history and its development as a technology and industry beyond the familiar cartoons from the Disney and Warner Bros Studios This is done through a chronology an introductory essay photos a bibliography and over 200 cross referenced dictionary entries on animators directors studios techniques films and some of the best known characters **International Perspectives on Feminism and Sexism in the Film Industry** Sarı, Gülşah, Çetin, Derya, 2019-11-22 Gender studies has maintained its status as a heavily researched field However women and their role in cinema is a vastly understudied topic that deals with various aspects of feminism and sexism The function of women in the film industry has evolved over time and proven to be an interesting area of research regarding the transition from sexual icons to respected professionals Feminism is a widely researched subject yet its specific application within cinema is an area that has yet to be studied International Perspectives on Feminism and Sexism in the Film Industry is an essential reference source that examines the representation of women in cinema and provides a feminist approach to various aspects of the film industry including labor production and the cultural impact of women in motion pictures Featuring research on topics such as violence against women feminist film theory and psychoanalysis this book is ideally designed for directors industry professionals writers screenwriters activists professors students administrators and researchers in fields that include film studies gender studies mass media and communications *Toy Story* Susan Smith, Noel Brown, Sam Summers, Chris Pallant, 2018-01-25 A collection of original essays on Toy Story exploring its themes techniques and cultural significance *The Oxford Handbook of Children's Film* Noel Brown, 2022 Offers a comprehensive and wide ranging study of children's film Takes an interdisciplinary approach that encompasses contributions from scholars in the fields of film studies children's education children's media studies children's literature
