Myanmar (Burma) since the 1988 Uprising Andrew Selth, 2022-01-24 Updated by popular demand this is the fourth edition of this important bibliography It lists a wide selection of works on or about Myanmar published in English and in hard copy since the 1988 pro democracy uprising which marked the beginning of a new era in Myanmar s modern history There are now 2 727 titles listed They have been written edited translated or compiled by over 2

000 people from many different backgrounds These works have been organized into thirty five subject chapters containing ninety five discrete sections There are also four appendices including a comprehensive reading guide for those unfamiliar with Myanmar or who may be seeking guidance on particular topics This book is an invaluable aid to officials scholars journalists armchair travellers and others with an interest in this fascinating but deeply troubled country *Stilwell and the Chindits* Jon Diamond,2014-08-20 This latest book in the highly successful Images of War series covers the dramatic events that saw ultimate Allied victory over the Japanese in remote Northern Burma on the Chinese border The plan involved two separate but concurrent operations US Army General Joseph Stilwell was ordered to train up two Chinese divisions and together with a US special force Merrill s Marauders advance to seize the key Japanese base at Myitkyina At the same time Brigadier Orde Wingate and his 77 Brigade known as the Chindits penetrated and fought deep behind Japanese lines While the success of this Operation LONG STOP remains debatable the Chindits courage and determination destroyed the myth of Japanese invincibility Despite terrible deprivation a second much larger operation THURSDAY went ahead As this highly informative and well illustrated book reveals the concept was ultimately successful with Myitkyina falling to Stilwell s Chinese US force in mid 1944 The Chindits and Marauders now greatly depleted by enemy action malnutrition and disease were evacuated to India but became legends *Strategic Planning for Coalition Warfare, 1941-1942 -- 1943-1944* Maurice Matloff,Edwin Marion Snell,1959 *Strategic Planning for Coalition Warfare, 1943-1944* Maurice Matloff,1959 *Atlas of American Military History* James C. Bradford,2003 From the Battle of Bunker Hill to the Battle of Midway from Vietnam to the Persian Gulf from George Washington to Douglas MacArthur The Atlas of American Military History covers the full span of America at war exploring the personalities methods strategies and historical contexts of each conflict Following a loose chronological framework this book examines every significant military campaign and war in which the United States has been engaged both domestically and internationally from the Revolutionary War to the present Written by trusted military historians each section combines analysis with a strong narrative account and an assessment of major campaigns and battle taking up the American viewpoint as well as those of its allies and opponents Military method weaponry and communication technology receive detailed treatment in the text and in the maps The center point of the book is its stunning color maps including historical military cartography specially commissioned maps and graphic reconstructions These maps show troop ship and aircraft movements of major campaigns and battles the theaters of fighting the balance of forces and the wider strategic picture It also features hundreds of illustrations appendixes and a glossary and information on military commanders events treaties code names and civilian personalities Edited by noted historian James Bradford The Atlas of American Military History is a beautiful and informative volume for history buff and general reader alike **Malaya and Singapore 1941-42** Mark Stille,2016-10-20 For the British Empire it was a military disaster but for Imperial Japan the conquest of Malaya was one of the pivotal campaigns of World War II Giving birth to the myth of the Imperial Japanese Army

s invincibility the victory left both Burma and India open to invasion Although heavily outnumbered the Japanese Army fought fiercely to overcome the inept and shambolic defence offered by the British and Commonwealth forces Detailed analysis of the conflict combined with a heavy focus on the significance of the aerial campaign help tell the fascinating story of the Japanese victory from the initial landings in Thailand and Malaya through to the destruction of the Royal Navy's Force Z and the final fall of Singapore itself

The A to Z of World War II Anne Sharp Wells, 2009-09-28 World War II dominates world history today as it dominated world attention over 60 years ago In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic

The A to Z of World War II: The War Against Japan traces the brutal conflict from Japan's seizure of Chinese territory in 1931 through the onset of war with the Western Allies in 1941 to the use of atomic weapons by the United States in 1945 It also addresses the aftermath of the war including the formation of the United Nations and the American occupation of Japan As the first of two volumes covering World War II this volume concentrates on the war in Asia and the Pacific so the user benefits from the comprehensive explanations of the people places and events that shaped much of that region's 20th century history
