Penetrating God's World with the Gospel of Christ Bennie Simmons, 2019-02-20 This book is dealing with subjects that are seldom discussed but are needed for the church to grow in number Discipleship is important but first we must lead the person to Christ with the right message That message is found in the book of Acts The essence of the Gospel was and is today in three parts One is the person of Christ found in the four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you **Ebony**, 2002-09 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest

Stirneman,2013-03-19 I was scared to death I had just told God I would do WHATEVER HE ASKED Now I waited to hear
what He wanted me to do and where He wanted me to go Would I be able to do what He asked Would I like it Would I hate it
Would it be too hard Where would He send me What if I failed All these questions were running through my head but I knew
that once I made a commitment I would keep it Eventually God did unveil His plan I was supposed to go to Bible School then
get a degree in Elementary Education and go to Africa to teach the children of missionaries This involved language study in
Switzerland WOW That sounded like fun Join me as I describe what it was like to live in a Swiss Pension to study French and
to visit Dr Francis Schaeffer While in Europe I had to go to Paris to get a visa I was scared of traveling alone but read how
God provided a traveling companion at the very last minute and gave us a great weekend in Paris I was originally scheduled
to teach in the Congo but due to a serious rebellion there I was sent to the Central African Republic where I taught five
students in a little thatched roof schoolhouse Between the bats in the attic the army ants the red ants the flying termites and
the huge flying roaches I slowly began to adjust to African life and actually enjoyed it A year later I was sent to the Congo
The rebellion was over or so we thought but during our five day trip to my mission station we were met by rebels with
machine guns demanding our truck As I slept on the floor in a bullet ridden room with no food or water I thought to myself
that I should be afraid But I was calm and peaceful for in spite of the circumstances I knew that I was in the center of Gods
will the safest place in the world The rest of the book describes the joy of teaching at Rethy Academy the frustration of
learning Swahili the excitement of village evangelism the seasons of loneliness the experience of visiting a Pygmy village the
trials and joys of starting youth camps and the MANY MANY lessons that I learned about God and how you can trust Him
completely for what He has planned for your life will be good acceptable and perfect and you cant improve on that
