All The Rage A Quest:

All the Rage Martin Moran, 2013-11-12 Martin wondered for most of his adult life about anger Surely he should have more rage about the crime he experienced as a boy shouldn't he Everyone thinks so The question haunts him and sends him on a quest from west of the Rockies to south of Johannesburg Jumping from dream to memory to fact he finds himself in an electric encounter with his fuming stepmother lost in Africa with a guide who can't read maps in a room translating the details of an asylum seeker's torture With equal parts honesty and entertainment **ALL THE RAGE** attempts to solve an ancient human riddle How is it that one moment we might reach out in compassion and the next kill *All the Rage* Martin Moran, 2016-05-17 A moving and surprisingly funny memoir about finding the right balance between anger and compassion Why aren't you angry people often asked Martin Moran after he told his story of how he came to forgive the man who sexually abused him as a boy At first the question pissed him off Then it began to haunt him Why didn't he have more anger Why had he never sought redress for the crime committed against him Was his fury hidden buried Was he not man enough Here he was an adult in mid life with an established acting career a husband A life And yet the question of rage began to obsess him As the narrative jumps from dream to memory to theory from Colorado to New York to Johannesburg Moran takes us along on his quest to understand the role of rage in our lives Translating for an asylum seeker and survivor of torture he wonders how the man is not consumed with the wrong done him only to shortly thereafter find himself in a wild confrontation with his fuming stepmother at his father's funeral He admires a pedestrian's furious put down of a careless driver and then observing with a group of sex therapists at an S M dungeon he finds himself unexpectedly moved by the intimacy of the interchanges Hiking the Rockies with his troubled younger brother he's confronted by the anger and the love that seem to exist simultaneously and in equal measure between them With each encounter we move more deeply into the human complexities at the heart of this book into how we wrong and are wronged how we seek redress but also forgiveness how we yearn to mend what we think broken in us and liberate ourselves from what's past It is in this landscape of old wounds and complicated loves that Moran shows us how rage may meet compassion and our traumas unexpectedly open us to the humanity of others
