Change of Heart Courtney Walsh, 2016-03-01 A Colorado senator's wife Evelyn Brandt seems to have it all But her carefully constructed life comes toppling down when the FBI crashes her society brunch with news that her husband has been arrested for embezzlement and he's far from repentant It turns out this was only the start of his indiscretions for which he has little regret As the weeks following the scandal turn into months Evelyn withdraws even shirking her duties with the philanthropic Valentine Volunteers The inquisitive women of the group are determined not to let Evelyn's divorce destroy her They have big plans for her to use her long forgotten artistic talent to reimagine the city's iconic lamppost hearts But doing so will force Evelyn to work closely with Trevor Whitney her ex husband's former best friend Though she and Trevor used to be close and he's been letting her hide in his guesthouse his gruffness conveys his unease with the situation Amid the beauty of Trevor's farm and the comfort of a paintbrush Evelyn starts to reclaim the dreams she sacrificed to become the perfect politician's wife And as creativity inspires them both Whit begins to see the girl he fell in love with before his friend and his own mistakes stole his chance Possibilities for a new beginning emerge but long kept secrets threaten to ruin everything After so much time is a change of heart too much to hope for

Changing Hearts Changing Communities Karl Brettig, 2023-08-16 We live in a world of changing hearts and changing communities Spiralling family violence and child abuse and neglect often related to intergenerational trauma are severely impacting many communities On an international level threats from nuclear war climate change and artificial general intelligence in the hands of autocratic dictators present disturbing challenges to our future If we want to see change in families communities and nations it needs to begin in the motivational centre of our being The scourge of insatiable approval seeking alienation from the Creator intergenerational trauma and the debilitating effects of a broken heart and spirit simmers within us How can we experience change We need to identify what needs to change in what is motivating us and discover how we can be empowered to change deeply entrenched habits As well as a change in the thought patterns of our minds we need to experience a pervasive pivot in our attitudes This publication draws from arguably the most significant change movement in history exploring how we can discover the power to change and contribute toward transforming broken communities in an uncertain world of accelerating change
