Alla Prima Everything I Know About Painting:

Alla Prima II Richard Schmid, Katie Swatland, 2013 *Alla Prima II* is a direct response to the remarkable success of the earlier book *Alla Prima* which went into thirteen printings after it was published in 1998. This new volume includes all of the information contained in the original printings and all material has been extensively revised for increased clarity. It has also been considerably expanded to provide a much broader frame of reference in each of the critical aspects of painting. As with the original *Alla Prima*, this book offers to the artist and art lover alike the wisdom and technical savvy which comes from a classical education and a lifetime of painting and teaching. **Alla Prima** Richard Schmid, 1998 **Alla Prima** Richard Schmid, 1999-01-01 Fifteen years in preparation, this book offers to the artist, art lover, and alike the wisdom, technical savvy, and a lifetime of painting, teaching, and writing. As an acknowledged master, Richard Schmid leads his reader gracefully through the subtleties of painting techniques with refreshing clarity, unmatched technical authority. It also uncovers the full range of artistic subject matter, reveals the one thing a painter must know to capture it all. Above all, Richard writes with deep affection to all who strive for self-expression regardless of their level of skill. He shares his own struggle from art school to the present, offers the things he has learned with the hope that his reader may enjoy the same passage of discovery. Now in its fourth printing, *Alla Prima* has been enjoyed by readers, artists in 37 countries around the world. Quantity Book Store Library discounts are available. Please call for details. **Alla Prima II Companion** Katie Swatland, Nancy Guzik, 2014-06-01 *Alla Prima II Companion* is a comprehensive guide outlining Richard Schmid's material, tool, and techniques, written from the perspective of his student, Katie Swatland. The book offers full explanations of all painting preparations with step-by-step images illustrating each process. Both Katie Swatland and Richard Schmid offer painting demonstrations with sequential images showing the developmental stages of Richard's paintings. *Beautiful Portrait Painting in Oils* Chris Saper, 2017-08-24 How to paint oil portraits like the Old Masters: Mona Lisa, Girl with a Pearl Earring, Madame X. The infinite variety and beauty of humankind, like the mysteries behind sparkling eyes, a sly smile, or an averted gaze, has captivated artists since the beginning of time. This expanded edition of Chris Saper's best-selling guide, *Classic Portrait Painting in Oils*, reveals keys for mastering how to paint beautiful portraits in oil to create soulful works of art. Through easy-to-follow lessons and expert oil painting tips and techniques, you'll find secrets for working from life, using reference photos, and more to create rich, realistic portraits imbued with timeless character. 14 step-by-step demonstrations teach how to paint 7 diverse subjects of varying skin tones from life and from photographic reference. Additional exercises reveal expert oil painting techniques for defining facial details like eyes, mouths, wrinkles, facial hair, and eyeglasses. Professional tips for working from life, including ideal session times, posing, seeing, and mixing color, and even how to work with children. The basics of using natural, artificial, creative, and Rembrandt lighting to light your subject and convey a mood. Expanded key concepts of perfect practice, the importance of regularly painting subjects in real time, and an insistence on excellent photographic reference material.

including a checklist for how to take and self edit your own quality photos New material on how to approach and execute paid commissions including step by step demonstrations for painting both corporate and family subjects Through Saper s universal techniques painters of all skill levels will learn to render more realistic portraits of every subject they paint with predictable and joyful results

Drawing Basics and Video Game Art Chris Solarski,2012-09-18 This book supports my own 30 year crusade to demonstrate that games are an art form that undeniably rivals traditional arts It gives detailed explanations of game art techniques and their importance while also highlighting their dependence on artistic aspects of game design and programming John Romero co founder of id Software and CEO of Loot Drop Inc Solarski s methodology here is to show us the artistic techniques that every artist should know and then he transposes them to the realm of video games to show how they should be used to create a far more artful gaming experience if I were an artist planning to do video game work I d have a copy of this on my shelf Marc Mason Comics Waiting Room Video games are not a revolution in art history but an evolution Whether the medium is paper or canvas or a computer screen the artist s challenge is to make something without depth seem like a window into a living breathing world Video game art is no different Drawing Basics and Video Game Art is first to examine the connections between classical art and video games enabling developers to create more expressive and varied emotional experiences in games Artist game designer Chris Solarski gives readers a comprehensive introduction to basic and advanced drawing and design skills light value color anatomy concept development as well as detailed instruction for using these methods to design complex characters worlds and gameplay experiences Artwork by the likes of Michelangelo Titian and Rubens are studied alongside AAA games like BioShock Journey the Mario series and Portal 2 to demonstrate perpetual theories of depth composition movement artistic anatomy and expression Although Drawing Basics and Video Game Art is primarily a practical reference for artists and designers working in the video games industry it s equally accessible for those interested to learn about gaming s future and potential as an artistic medium Also available as an eBook

Capturing the Essence William T. Cooper,2024-06-03 Once described by Sir David Attenborough as the best ornithological illustrator alive William T Cooper was a generous mentor to many wildlife artists His willingness to share his knowledge and skills is epitomised in *Capturing the Essence* Techniques for Bird Artists First published in 2011 *Capturing the Essence* is a step by step guide that offers practical advice to observing birds retaining the essential information and then painting them from field notes and sketches photographs and other observations The author takes the reader through the processes involved in oil painting watercolour and acrylic techniques and a piece of art is built up in stages to demonstrate the skills required in each of these media While the book concentrates on birds much of the general basics will be relevant to painting a wide variety of natural history and wildlife subjects This re release edition will ensure a whole new generation of artists can learn and benefit from William T Cooper s timeless knowledge and expertise
