About the Novel: Nothing could defeat the spirit of this gentle and courageous horse, Black Beauty. One of the most endearing stories of all time, set in England during the mid 1800s and told from the perspective of its main character, Black Beauty shares his adventures from his days as a young colt in the pastures of Farmer Grey through different owners and into his twilight years. Tragedy seems to shape the course of Black Beauty's life as he learns much of the world through the friendships with different horses, the tragic life of Ginger the brave and noble Captain, and the fun-loving Merrylegs. **Black Beauty** Anna Sewell,2010-09-01 These literary masterpieces are made easy and interesting. This series features classic tales retold with color illustrations to introduce literature to struggling readers. Each 64 page eBook retains key phrases and quotations from the original classics. The author tells this unforgettable story which takes place in nineteenth century England through the eyes of Black Beauty. The reader will feel the love, cruelty that this great stallion experiences. Beginning with Black Beauty's wonderful life with his master Squire Gordon and the kindness of Jerry Barker to the terrible times as a cab horse having to tolerate the torture of the proper English bearing reins, Black Beauty's story speaks for all animals that can't speak for themselves.
