Accidental Gods Anna Della Subin, 2021-12-07 NAMED A BEST BOOK OF THE YEAR BY ESQUIRE THE IRISH TIMES AND THE TIMES LITERARY SUPPLEMENT SHORTLISTED FOR THE PEN HESSELL TILTMAN PRIZE A provocative history of men who were worshipped as gods that illuminates the connection between power and religion and the role of divinity in a secular age Ever since 1492 when Christopher Columbus made landfall in the New World and was hailed as a heavenly being the accidental god has haunted the modern age From Haile Selassie acclaimed as the Living God in Jamaica to Britain's Prince Philip who became the unlikely center of a new religion on a South Pacific island men made divine always men have appeared on every continent And because these deifications always emerge at moments of turbulence civil wars imperial conquest revolutions they have much to teach us In a revelatory history spanning five centuries a cast of surprising deities helps to shed light on the thorny questions of how our modern concept of religion was invented why religion and politics are perpetually entangled in our supposedly secular age and how the power to call someone divine has been used and abused by both oppressors and the oppressed From nationalist uprisings in India to Nigerian spirit possession cults Anna Della Subin explores how deification has been a means of defiance for colonized peoples Conversely we see how Columbus Cortés and other white explorers amplified stories of their godhood to justify their dominion over native peoples setting into motion the currents of racism and exclusion that have plagued the New World ever since they touched its shores At once deeply learned and delightfully antic *Accidental Gods* offers an unusual keyhole through which to observe the creation of our modern world It is that rare thing a lyrical entertaining work of ideas one that marks the debut of a remarkable literary career **The**

Third Sword James Bernard Murphy, 2023-12-07 Prophets are wild cards in the game of politics James Bernard Murphy writes in this startling new book They risk their lives by calling out the abuses of political and religious leaders forcing us to confront evils we would prefer to ignore By setting moral limits on political leaders prophets chasten our political pretensions and remind us there are values that transcend politics They wield a third sword distinct from the familiar swords of state and church power their sword is the word of God *The Third Sword* offers a new take on political history illustrating a theory of prophetic politics through tales of political crises interspersed with direct dialogue between the prophets and their persecutors With chapters on Socrates Jesus Joan of Arc Thomas More and Martin Luther King Murphy brings these prophets to life with storytelling that blends biography history and political theory

American Prophets Albert J. Raboteau, 2016 Examines the lives and thought of seven major prophetic figures in twentieth century America whose social activism was motivated by a deeply felt compassion for those suffering injustice Amazon.com **Prophets to the Nations** Felicia H. Laboy, 2021-10 A new Black theology of liberation that addresses the needs of people crushed under the prevailing systems of racial gender and heterosexist oppression in America Allen Jones Varick Lee Douglas Truth Foote Bethune Lane Holsey Lawson names of famous Black Methodist leaders who challenged racism and sexism of both American society and the

church of their generation These are people who called both the nation and the church to live into the vision for which it had been created and to loose the bonds of oppression Once enslaved themselves and descendants of slaves they were determined to build denominations and colleges such that future generations would be prepared to assume leadership in an idealized and integrated society These Black Methodist leaders from the AME AMEZ CME and The UMC provided the theological socio economic and political groundwork that encouraged sustained and mobilized African Americans during slavery Reconstruction Jim Crow Civil Rights and Black Power Movements And while their impact of the work in the fight against both racism and sexism in the church and general society is well documented what often goes unnoticed is the impact that these leaders had on two of the greatest movements to affect the landscape of the Academy Black Theology of Liberation and Womanist Theology What is also forgotten is that two of greatest theologians James H Cone and Jacquelyn Grant were products of the AME Church Furthermore Cone the doctoral advisor of Grant was also greatly influenced by leaders of Black Methodists for Church Renewal a Black advocacy group of The United Methodist Church While it is important to remember great people of the past it is also critical to recall the lessons that Black Methodists have taught us with regard to the fight against racial and gender injustice This century s Black Methodists whether AME AMEZ CME or UMC BMCR must find new ways to contend with racial sexist and heterosexist injustice Like their Black Methodist forefathers and foremothers they must find ways to provide theological and political responses to movements such as Black Lives Matter and MeToo The authors of this volume contend that there is no better time to assume the mantle of Black Methodist prophetic leadership than now as the theological academy and the church celebrate the 50th anniversary of Cone s groundbreaking book A Black Theology of Liberation With the passing of Dr Cone and Dr Jacquelyn Grant there is no better way especially in an era of Me Too than to highlight their accomplishments in the fight against racial and gender injustice *The Mount of Vision*

Christopher Z. Hobson, 2012-09-01 Drawing on speeches essays sermons reminiscences and works of theological speculation from 1800 to 1950 Christopher Z Hobson offers an in depth study of prophetic traditions in African American religion He shows how African American prophets shared a belief in a God of the oppressed a God who tested the nation s ability to move toward justice and who showed favor toward struggles for equality Hobson also provides insight into the conflict between the African American prophets who believed that the nation could one day be redeemed through struggle and those who felt that its hypocrisy and malevolence lay too deep for redemption Contrary to the prevalent view that black nationalism is the strongest African American justice tradition Hobson argues that the reformative tradition in prophecy has been most important and constant in the struggle for equality and has sparked a politics of prophetic integrationism spanning most of two centuries Hobson shows too the special role of millennial teaching in sustaining hope for oppressed people and cross fertilizing other prophecy traditions The Mount of Vision concludes with an examination of the meaning of African American prophecy today in the time of the first African American presidency the semicentenary of the civil rights movement and the

sesquicentennial of the American Civil War paradoxical moments in which our post racial society is still pervaded by injustice and prophecy is not fulfilled but endures as a challenge , **Religion** James Bishop Thomas,1918 **Prophetic Fragments** Cornel West,1988 This collection of writings drawn from a wide variety of sources reveals the intellectual depth and breadth of the author The articles include political commentary cultural critique literary analysis extended book reviews and even a short story by West All of these are held together by a prophetic Afro American Christian perspective The value of this book is that it provides easy access to a significant selection of the author s corpus Religious Studies Review October 1989 This volume collects over 50 articles book reviews and addresses by a Union Seminary theologian The most eloquent pieces are those in which West explains and interprets his more personally felt tradition of Afro American Protestantism Library Journal **Prophets** Oswald Garrison Villard,1969 *God's Black Prophets* Wesley Muhammad,Wesley Muhammad, Dr, PhD,2010-12
