

ALL HELL AND AUTOCROSS... MORE HELL AND RALLYCROSS by PETER CARRICK

MURRAY WALKER, the well-known TV Motor Sport commentator writes in his Foreword

'Autocross and Rallycross are exciting and spectacular branches of motor sport to which an increasing number of people have been attracted in the last couple of years. While autocross remains largely an amateur or semi-professional sport, the development of rallycross with spectacular television series has brought more into competition the professional drivers and works-entered cars.

'For both autocross and rallycross the excitement has a large and growing following and to all of us who are excited by this particular type of abandoned motoring over the rough — whether competing or watching — *All Hell and Autocross . . . More Hell and Rallycross* is certain to make a strong appeal.

'The author has produced a well documented manuscript which, while crammed with facts and information, never strays far from the special spirit and atmosphere of "the crosses". He captures well the vigour, the excitement and the uninhibited nature of the sport and the end result is a stimulating, vivid and absorbing book which will be read with equal zeal by the devoted enthusiast and the TV viewer alike.'
